No matter how effective you may be, you cannot implement RTI alone. Learn how to create the campus culture needed to implement RTI without reinventing the wheel. Nail down critical components that build leadership capacity with teachers for a successful model. Focus on structuring a prevention model for service delivery that will help ensure the success of your students and your campus.

**Susan Stickel, Assistant Superintendent, SCOE / Judy Holsinger, Executive Director, SELPA**

**PREK-12 ADMINISTRATOR AND TEACHER TEAMS ARE ENCOURAGED TO ATTEND!**
