

## SACRAMENTO COUNTY PROJECT SAVE

### Safe Alternatives & Violence Education

- Project SAVE is a collaborative project of the Sacramento County Office of Education, Sacramento County Sheriff, Sacramento County Probation, and Sacramento Police Department. The project is an effort to help young people break the cycle of violence and lead healthy, productive lives.
- Project SAVE is a non-punitive early intervention program for adolescent first-time offenders, age 10 to 17, who have been involved in violence or weapon possession. Project SAVE is designed to offer alternatives to offenders who act without thinking or in response to peer pressure and are not yet intimately involved in the juvenile justice system. Parent participation is required.
- Since 1998, Project SAVE has served more than 2,000 young people in Sacramento County. Participants include students and their parents/guardians.
- Follow-up data indicate 90% of students who complete the Project SAVE class never return to the juvenile justice system on a new citation.
- Students without an intervention like Project SAVE have a much lower success rate. According to a national report, only 54% of male and 74% of female juvenile offenders will remain violence-free without any intervention.
- Youth are referred to Project SAVE by schools, law enforcement, the courts and others.

TOURNAMENT

*Rancho Murieta  
Country Club*

7000 Alameda Drive  
Rancho Murieta, CA 95863  
Club Office - (916)354-3400  
Pro Shop - (916)354-2400

Rancho Murieta Country Club is truly California's best-kept secret, featuring two 18-hole championship golf courses, 6 lighted tennis courts, fine dining and weekly live entertainment! The Cosumnes River meanders through the gated community and divides the private North and South golf courses. Nestled in the gateway to the Sierra Foothills, Rancho Murieta is complimented by towering oak trees and lush rolling hills. Located just 25 miles east of Sacramento.

The Project SAVE Golf Tournament will be held on the North Course. The North Course, where the PGA Seniors made a tournament stop for a decade, is the more challenging of the two courses, at 6,839 yards from the tips (every one of those yards uphill), with a blue rating of 72.6 and slope of 136. It opened in 1971 and was redesigned in 1986 by Arnold Palmer.

*Monday  
September 20, 2010*

**8:30 a.m. Check In**  
**9:30 a.m. Shotgun Start**  
**2:00 p.m. Banquet Luncheon**

**Tournament Host - \$5,000**
