

Community of Practice

ADVANCING SYSTEM CAPACITY TO SUPPORT EDUCATORS OF COLOR

Description: Led by **Dr. Steve Winlock** and **Dr. Don Vu** of the

Sacramento County Office of Education’s (SCOE) School of Education, this community of practice is designed for school and central office leaders who have made the commitment to building more equitable systems. Facilitators will facilitate leaders in examining and reflecting upon systems, practices, and beliefs to mitigate opportunity gaps for educators of color. Leaders will develop an action plan that will support movement toward more equitable organizations while learning and growing within a community of like-minded leaders.
