

SEAL OF BILITERACY

for Eligible Graduating High School Seniors

2023 Recognition Ceremony

MAY 3, 2023 • 4:30 PM

Natomas High School Performing Arts Theater

Welcome

David W. Gordon
Sacramento County
Superintendent of Schools

Welcome to the 11th annual Seal of Biliteracy ceremony to honor multilingual students in Sacramento County!

Congratulations to our high school seniors who have attained a high level of proficiency in being bilingual and in multilingualism. Each of these students has met rigorous state criteria and has demonstrated his or her linguistic abilities in English and another language through examinations, grades, and coursework. By meeting these requirements, the California Department of Education awards each of these students a gold “State Seal of Biliteracy” for his or her high school diploma.

In addition to English, this year’s Seal of Biliteracy recipients are proficient in 25 other languages, including American Sign Language, Arabic, Cantonese, Dari, Farsi, French, German, Hindi, Hmong, Italian, Japanese, Korean, Mandarin, Pashto, Punjabi, Romanian, Russian, Spanish, Tagalog, Tamil, Telugu, Turkish, Ukrainian, Urdu, and Vietnamese. More than 50 students have earned Seals in multiple languages. The Sacramento County Office of Education is proud to offer language exams that support the diversity of the families and students in our schools.

We would like to thank the following Sacramento County school districts and charters for their collaboration in this year’s Seal of Biliteracy program: Center Joint USD, Elk Grove USD, Folsom Cordova USD, Galt Joint Union HSD, Natomas USD, Natomas Charter School, Natomas Pacific Pathways Prep, River Delta USD, Sacramento City USD, San Juan USD, Visions in Education, Twin Rivers USD, and Futures HS. Through their combined efforts, nearly 1,800 students qualified for the State Seal of Biliteracy in 2023.

A handwritten signature in black ink that reads "David W. Gordon". The signature is written in a cursive style.

Keynote Speaker

Mariana Corona Sabeniano is a Chief of Staff in the California State Senate. She has over 15 years of public service, working on legislation, and advancing policy on a variety of issues, including education, health, higher education, women's issues, and more.

Mariana's active involvement in various leadership roles to advance the Sacramento region has led her to be included recently in *The Sacramento Bee's* inaugural list of Latino Changemakers and was named a 40 under 40 recipient by the *Sacramento Business Journal* in 2020.

"Spanish was my first language, and I have appreciated the opportunities that being bilingual has brought me, including the connectedness to my parents, my culture, and diverse communities."

– Mariana Corona Sabeniano

Mariana grew up in Arbuckle, California, with five siblings to immigrant parents from Mexico. She is the first one in her family to attend and graduate from college. Mariana earned her BA from Sacramento State and a Master of Science in Law from McGeorge School of Law.

About the State Seal of Biliteracy

The State Seal of Biliteracy is an award given to graduating high school students who have studied and attained proficiency in English and one or more languages. The Sacramento County Office of Education collaborated with participating local districts and charters to identify candidates for this award; verify their language skills in reading, writing, listening, and speaking; and to publicly recognize students for their exemplary achievement.

Students receiving the State Seal of Biliteracy met the criteria below:

- 1) Completed all English-language arts requirements for graduation with an overall grade point average of 2.0 or above in those classes.
AND
- 2) Passed the California standards assessment at the “standards met” or above in English language arts (ELA) set for native English speakers at the 11th grade OR a local assessment.
AND
- 3) Demonstrated proficiency in one or more languages in addition to English.

To meet this requirement, some students passed the Advanced Placement Exam, the

Scholastic Assessment Test II, or a locally administered language exam. Others successfully completed a four-year high school course of study in another language, including oral proficiency.

Voices from the Class of 2023

We are proud of all the recipients! This year, we asked an optional question to capture the student voice: *What does getting the State Seal of Biliteracy mean to you?* Here are some of the responses.

"The Seal of Biliteracy means a lot to me since it is a great connection between my family and my culture."

"It means a lot to me. I took Japanese because I am Japanese and I really wanted to communicate with my grandmother."

"The Seal of Biliteracy means that I am on the pathway to be able to communicate with future patients. I believe that language should not be a barrier to receive the best treatment possible."

"To be able to receive the State Seal of Biliteracy is meaningful because I am getting recognized as someone who speaks two languages, is the first generation to go to college, and gets rewarded for all the hard work I have given, especially taking all four years of Spanish high school. Therefore, I am really happy that I am getting the State Seal of Biliteracy."

"The four years of taking Japanese class with my amazing teacher, Sensei Ueyama, paid off!"

"It actually means a lot. I didn't know I was getting this award, and I stayed in French because I enjoyed learning another language and someday hope to visit Paris... getting an award to be able to show my friends and family means a lot."

"The State Seal of Biliteracy means being able to bring the community that surrounds me together in a more meaningful way. We all have our own cultures and identities related to those cultures. Being able to understand others' behaviors allows me to support my friends, educators, and coworkers in ways that go beyond the relationship I already have with these individuals. The State Seal of Biliteracy means, to me, understanding of others through their own eyes."

"It shows that my parents' work throughout my life to keep the language of our families going has paid off, and my work in school has paid off as well. I have gained valuable skills that can help me in my future."

"It's truly an honor identifying myself as a bilingual, a person who came as an immigrant because of my parents and them seeing me representing my Pakistani culture, and community, is extremely rewarding."

Alphabetization in the Spanish Language

Which last name goes first in Spanish? Traditionally, a person's first surname is the father's first surname (apellido paterno), while their second surname is the mother's first surname (apellido materno). Following tradition, names in this list are alphabetized by first surname.
