The Sacramento County Office of Education proposes to amend its conflict of interest code to include employee positions that involve the making or participation in the making of decisions that may foreseeably have a material effect on any financial interest, and for each enumerated position, the specific types of investments, business positions, interests in real property, and sources of income which are reportable. (Gov. Code, §87302, subd. (a).)

The amendments include the addition of newly created employee positions, renamed or reclassified positions, revised disclosure categories, and other technical changes.

3. Impose no costs or savings on any state agency.
4. Impose no costs on any local agency or school district that are required to be reimbursed under Part 7 (commencing with Section 17500) of Division 4 of Title 2 of the Government Code.
5. Will not result in any nondiscretionary costs or savings to local agencies.
6. Will not result in any costs or savings in federal funding to the state.
7. Will not have any potential cost impact on private persons, businesses or small businesses.
