# ETHNIC STUDIES FOUNDATIONS

**B**y 2024-2025, all California high schools are required to offer an Ethnic Studies course. All schools need to begin preparing our students for a global world.

Leaders will learn about Ethnic Studies from UC Davis' CA History-Social Science Project (CHSSP) leaders. Facilitators will cover the history of Ethnic Studies; provide an overview of the field; engage participants in reviewing model lessons and curricula for Ethnic Studies implementation.
