Sacramento County Office of Education

EDUCATION EMPOWERS

Professional Learning Opportunities | 2024–2025

The Sacramento County Office of Education (SCOE) is pleased to share our professional learning services! We have added new services and opportunities with all workshops, learning communities, and district/site support offered by SCOE departments. Services are organized by topic areas and Local Control Funding Formula (LCFF) priorities:

- Culture, Climate, and Equity
- Family and Community Engagement
- Special Education
- Systems Improvement
- Teaching and Learning
- Workforce Development

A wide variety of services are available in virtual and in-person formats. Can't find what you are looking for? SCOE can also customize services to meet the needs of your organization.

We look forward to working together to leverage our collective expertise, creativity, determination, and commitment to serving all students that will result in innovative solutions to transform our schools and improve learning.

SCOE's Vision and Mission ──────────

- **Vision**: Empower, inspire, and provide pathways for learners to thrive personally, within their communities, in college, and in careers.
- **Mission**: Provide leadership, build partnerships, and implement innovative programs and policies that ensure opportunity and access to empowering educational experiences for each and every learner.

Department

Prevention and Early Intervention
Level 1: Universal
Learning Community

Level of Service

Service Type

Description
SCOE supports social and emotional learning (SEL) integration through a regional community of practice (CoP) that leverages the expertise of districts in the region to build the capacity for all. This CoP is for teams of educators who are ready to lead SEL integration in their districts/schools. California's SEL Guiding Principles provide a platform to work together and build on the implicit and explicit SEL practices already happening in schools.

Goals for the CoP include:

- Offering a collaborative space for professional learning around SEL and connected equity efforts.
- Providing ongoing networking and sharing of best practices.
- Integrating district/school action planning opportunities.
- Showcasing successful SEL efforts in districts/schools.

Recommended for
Community-Based Organizations, Early Learning, TK–12, Adult Education, District Office, County Office, Higher Education, Teachers, Administrators, Support Staff, Coaches, Counselors, Instructional Assistants/Paraprofessionals, and Expanded Learning Staff

Creating Equitable Early Learning Environments for Young Boys of Color—Disrupting the Disproportionate Outcomes

LCFF Priorities: **6**

Early Learning
Level 1: Universal Level 2: Specialized
Learning Community

Description

The content material introduces a wide range of practical strategies that anyone working with this unique group can use to create strengths-based, responsive early education environments that support young Boys of Color.

Topics addressed include but are not limited to: building racial equity awareness; strategies to address implicit bias; responsive relationships with love at the center; culturally responsive practice; effective research-informed strategies for the classroom; and the building of quality partnerships with families.

Participants will:

- Learn foundational skills to establish strong, positive, and responsive relationships.
- Gain knowledge about systemic racism and structural barriers that create implicit biases and seek to disrupt the systems.
- Understand the impact of frequent experiences with bias and racism on brain development.
- Create strategies for mindful reflection and use of love as core element of a strength-based, responsive early education.
- Implement instructional and culturally responsive practices that communicate love, respect, and genuine care.

Recommended for

Early Childhood Educators including TK/Kindergarten Staff, Administrative Teams, District and Support Staff, Expanded Learning Teams, Instructional Coaches, Equity Leaders, Private Childcare Providers, Community-based Organization Staff, and Mental Health Professionals

Understanding Implicit Bias

LCFF Priorities: **4**   **5**   **6**

Prevention and Early Intervention
Level 1: Universal
Workshop/Training/Conference

Description
This learning module invites educators to explore the roots of implicit bias by looking into the various levels of oppression, including ideological, institutional, interpersonal, and internalized. Participants will dive into the current research to examine the lasting impact of implicit bias on educators, students, and communities. Throughout this module, there will be opportunities to participate in self-reflection and learn from one another through various engaging activities.

Participants will:

- Understand implicit bias and how the unconscious mind operates.

- Recognize the interconnections between systemic oppression, implicit bias, and how this affects students and educators.

- Learn how to counteract bias by recognizing and interrupting patterns and utilizing mindful reflection.

Equity Leaders Network

LCFF Priorities: **4** **5** **6**

Prevention and Early Intervention
District and School Support
Level 1: Universal
District/Site Support

Description
Educational equity means that all students have access to the resources they need to succeed. SCOE partners with local education agencies to offer support and work collaboratively towards building capacity for advancing equity, inclusion, and belonging.

Guidance

- Learn in partnership with equity leaders in the community.
- Develop an inclusive and equity-centered approach to drive positive change throughout systems, policies, and practices.
- Create a system of continuous improvement to sustain change.
- Engage in targeted learning opportunities that address a variety of equity-related concerns relevant to the needs of individual systems.

Community of Practice

- Through a collaborative and tiered approach, leaders will focus on building capacity for diversity, equity, and inclusion efforts.
- Share resources, knowledge, and practices across Sacramento County LEAs.

Recommended for
K–12 Administrators, Teacher Leaders, Site Administrators, and Equity Leaders

Key Legislation Ensuring All Students Have Equal Access to Information About Financial Aid

LCFF Priorities: **4**　**5**　**8**

Cal-SOAP
Level 1: Universal
Workshop/Training/Conference

Description
Students from low-income and underrepresented backgrounds face the challenge of how to finance their college education. Recent state statue (AB 2015) ensures that students receive information on how to properly complete and submit the Free Application for Federal Student Aid (FAFSA) or the California Dream Act Application at least once before the student enters grade 12.

The California Student Opportunity and Access Program (Cal-SOAP) mission is to help low-income and first-generation college students complete the application process so they can access financial aid for education and career/technical training beyond high school.

Participants will learn:

• The types of financial aid available and how to access it.

• The types of documentation and personal information needed to complete the application.

• The eligibility requirements for student financial aid that may be applied for using the FAFSA or the California Dream Act Application.

• Application timelines and submission deadlines.

Recommended for
District Administrators, Site Administrators, Counselors, Support Staff, Higher Education, and Community-based Organizations

Key Legislation Ensuring All Students Have Equal Support in Completing Student Financial Aid Applications

LCFF Priorities: **4** **5** **8**

Cal-SOAP
Level 1: Universal
Learning Community

Description
Recent state statute (AB 469) ensures that all high school students in the 12th grade complete and submit a Free Application for Federal Student Aid or a CA Dream Act Application. The California Student Opportunity and Access Program (Cal-SOAP) mission is to help low-income and first-generation college students complete the application process so they can access financial aid for education and career/technical training beyond high school. The Cal-SOAP consortium is comprised of high school counselors and administrators, college admissions and outreach staff, and community members.

Participants will:

- Receive line-by-line instruction on completing the Free Application for Federal Student Aid Application (FAFSA) and the CA Dream Act Application (CADAA)
- Learn best practices to improve FAFSA and CADAA completion rates
- Participate in quarterly meetings to share information and networking opportunities

Recommended for
District Administrators, Site Administrators, Counselors, Support Staff, Higher Education, and Community-based Organizations

Region 3 Expanded Learning Connection Space

LCFF Priorities: **4** **8**

**Expanded Learning
Level 1: Universal
Learning Community**

Description
The SCOE Region 3 Expanded Learning Team, in collaboration with the CDE Expanded Learning Division Region 3 Team, organizes a monthly SEL "office hour-like" session for Region 3 Expanded Learning Grant Managers, Program Providers, and Expanded Learning area specialists. This hour-long session on Zoom incorporates CASEL's three SEL signature practices.

The session begins by checking in to foster a sense of community. Then, the floor is opened for discussions on Expanded Learning topics or recent questions that are resonating with participants at that time.

Region 3 Expanded Learning Grant Manager/Program Provider Quarterly Meetings

LCFF Priorities: **4**   **8**

**Expanded Learning
Level 1: Universal
Learning Community**

Description
The SCOE Region 3 Expanded Learning Team, together with the CDE Expanded Learning Division Region 3 Team, co-facilitate quarterly meetings that bring together all the Region 3 Expanded Learning Grant Managers and Program Provider Directors in a reciprocal learning space. The purpose of these meetings includes, but is not limited to, delivering updates on Education Code, policies, and legislative changes. The meetings also highlight necessary resources identified through needs assessments, foster a reciprocal peer learning network, and establish a platform for providing universal, targeted, and critical technical assistance, among other objectives.

Region 3 Expanded Learning STEAM Explorers Community of Practice (CoP)

LCFF Priorities: **4** **8**

Expanded Learning/Curriculum and Instruction
Level 1: Universal
Learning Community

Description
The SCOE Region 3 Expanded Learning Team, along with the SCOE Science Curriculum Specialist, collaboratively lead quarterly STEAM Explorers sessions during which we notice and wonder about all things—Science, Technology, Engineering, the Arts, and Mathematics (STEAM). These sessions are specifically designed for Expanded Learning Site Coordinators with the primary goal of establishing a peer-driven STEAM learning community.

Within this community, participants support one another in enhancing their understanding and capabilities in STEAM education. The sessions focus on deepening their grasp of Next Generation Science Standards (NGSS) concepts and themes, introducing valuable STEAM resources, and ultimately aiding them in expanding the scope of the high-quality, inquiry-based, hands-on STEAM learning activities to engage youth in their programs.

College and Career Readiness for Foster Youth

LCFF Priorities: **4**   **6**   **10**

Foster Youth and Homeless Services
Level 1: Universal
Workshop/Training/Conference

Description
There is a shocking disparity between the number of foster youth who aspire to a college-level education and those who achieve this goal. Participants will learn ways to assist foster youth in overcoming some of the barriers they face in continuing their education along with the eight components school counselors use to inspire all K-12 students to be prepared for and access college.

Participants will:

• Learn of financial aid available to foster youth and how to access it.

• Learn the multi-step process of enrollment, including assessments, applications, and securing financial aid.

• Learn the importance of foster youth exploring college and career options as early as possible to instill college aspirations.

• Learn various post-secondary options, including community college, four- year university, certificate programs, military, and career and technical schools.

• Receive information regarding transition support through local college and university Foster Youth Support programs, Extended Foster Care (AB 12), and the Independent Living Program.

Recommended for
6–12, County Office, Administrators, Support Staff, Expanded Learning Staff, and School Counselors

Key Legislation Supporting Academic Achievement for Foster Youth

LCFF Priorities: **5** **6** **7** **10**

Foster Youth and Homeless Services
Level 1: Universal
Workshop/Training/Conference

Description
National and state statutes ensure foster youth have the right to attend their school of origin, immediate enrollment, the timely transfer of records, earn partial credits, attend a fifth year of high school, or graduate with a reduced number of credits. Participants will learn about these rights and the resources available to better address the educational needs of foster youth.

Participants will:

- Learn which students are considered "foster youth" under the State's Local Control Funding Formula.

- Understand the unique educational needs and rights of foster youth.

- Learn about transition supports, resources, and district responsibilities to facilitate school placement changes.

- Learn of the right of foster youth to obtain a high school diploma through a graduation exemption—also known as Assembly Bill 167/216—including the eligibility criteria, notice requirements, and the possible impact on the youth's post-secondary options.

- Receive a copy of the California Foster Care Education Law Fact Sheets and other resources.

Key Legislation Supporting Academic Achievement for Homeless Children and Youth

LCFF Priorities: **5** **6** **7**

Foster Youth and Homeless Services: Project TEACH
Level 1: Universal
Workshop/Training/Conference

Description
National and state statutes ensure homeless children and youth have guaranteed rights and protections. These include the right to enroll in their school of residence prior to presenting personal documents, attend their school of origin, receive transportation support to attend their school of origin upon request, earn partial credits, attend a fifth year of high school, and graduate with a reduced number of credits (if student meets required criteria).

Participants will:

- Learn how to determine which students meet the criteria of being homeless under the McKinney-Vento law.
- Understand the unique educational needs and rights of youth experiencing homelessness.
- Learn of the right of youth experiencing homelessness who meet the eligibility requirements to obtain a high school diploma through a graduation exemption, also known as Assembly Bill 1806; including the eligibility criteria, notice requirements, and the possible impact on the youth's post-secondary options.
- Receive tools to assist in determining a student's eligibility for homeless status and other resources.

Sacramento County Coalition for Youth

LCFF Priorities: **3**   **6**

Prevention and Early Intervention
Level 1: Universal
Learning Community

Description
Sacramento County Department of Health Services, Substance Use Prevention and Treatment, initiated a contract with SCOE to develop the Sacramento County Coalition for Youth. The coalition has an action plan of prevention strategies designed to create community action to prevent youth substance use.

Participants will:

- Participate in monthly meetings to develop ongoing prevention projects.
- Build partnerships among prevention and treatment providers, youth, local leaders, and community members in Sacramento County.
- Have ongoing training opportunities to build capacity around alcohol and other drug prevention.
- Learn from other coalitions about best practices in prevention.
- Develop strategies to address youth access to substances, develop targeted media messaging, address current laws, policies, and practices, and understand and redirect social norms.
- Leverage a wide variety of existing and potential resources, individuals, entities, organizations, and successful national and local campaign models to implement its action plan.
- Measure progress, collect data, and set benchmarks to prevent and reduce youth substance abuse.

Solutions to Bullying

LCFF Priorities: **6** **8**

Prevention and Early Intervention
Level 1: Universal
Workshop/Training/Conference

Description
Training focuses on Bullying Prevention, Dynamics of Bullying and Cyberbullying, Updates, and Intervention Strategies.

This training will address critical issues facing schools when dealing with bullying, cyberbullying, and harassment, including current legislation, mandates, compliance and reporting requirements. Topics include: current laws and legal updates; investigation and follow-up procedures on reported or suspected bullying; developing policies/protocols, strengthening comprehensive Safe School plans by linking bullying prevention and intervention efforts assessing the school campus, establishing effective training, and monitoring progress; and importance of building and maintaining a positive school culture.

Model approaches will be covered with strategies for Tier I, II, and III relating to bullying, cyberbullying, and harassment. A focus area will be Tier II and III strategies to effectively intervene in bullying. Topics include: the dynamics of bullying and cyberbullying; linking bullying prevention to mandated comprehensive safe school plans; and implementing a tiered system of prevention and intervention.

Student Mental Health Wellness Collaborative (SMHWC)

LCFF Priority: **6**

Student-Based Mental Health and Wellness
Level 1: Universal
Learning Community

Description

The focus on student mental health and wellness has increased significantly since the Student Mental Health and Wellness Collaborative (SMHWC) was formed in June 2009. As more opportunities to provide early identification and intervention of mental health issues become available, the Collaborative remains a strong vehicle for information sharing and networking opportunities between mental health agencies, education agencies, and community members.

The Collaborative is comprised of county and community mental health staff, educators, health care workers, and community members who have a vested interest in promoting and supporting student mental health and wellness and creating an environment that encourages cross-collaboration and common language between education and mental health providers.

Suicide Prevention: Question, Persuade, and Refer (QPR)

LCFF Priority: 6

Prevention and Early Intervention
Level 1: Universal
Workshop/Training/Conference

Description
This two-hour workshop is designed to provide participants a simple and basic introduction to suicide prevention. QPR stands for Question, Persuade, and Refer—three simple steps that anyone can learn to help save a life from suicide. Just as people trained in cardiopulmonary resuscitation (CPR) and the Heimlich Maneuver to help save thousands of lives each year, people trained in QPR learn how to recognize the warning signs of a suicide crisis and how to question, persuade, and refer someone to help.

SCOE Elementary English Learner Collaborative (eELc)

LCFF Priorities: **1** **4**

**Multilingual Education
Level 1: Universal
Learning Community**

Description

Description
The eELc is a learning community among English Learner Coordinators/Administrators from the nine Sacramento County districts and charters serving PreK–6 grades (elementary). Participants will collaboratively learn how to establish equitable services and programs for English learners. These sessions build cohesion with the secondary English Learner Collaborative.

Participants will:

• Participate in bimonthly meetings to discuss ongoing programs and services at the elementary school level.

• Focus on addressing the needs of multilingual-English learners: Newcomers, At Risk of becoming Long-Term English Learners (AR-LTEL), and all typologies.

• Build partnerships/networks among EL coordinators, administrators, and ELD teacher leaders within Sacramento County.

• Have ongoing collegial support, access coordinated resources, and implement and share best practices.

• Develop strategies to establish equitable services for elementary English learners by targeting their varying needs.

• Measure progress, collect data, and set benchmarks to increase English Learner graduation rate in Sacramento County.

How Social Emotional Learning (SEL) and Restorative Practices (RP) Support School Counseling

LCFF Priorities: **5** **6** **8**

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description
School Counselors often work in the intersection of academic and Social and Emotional Learning goals. The ratio for school counselors to students in California is over 450:1, heightening the need to support our school counselors through professional learning opportunities. As schools continue to embed Social and Emotional Learning and Restorative Practices into their infrastructure, we will explore how those foundations weave into the framework of school counseling.

This session will provide insight into how school counselors can use Social Emotional Learning (SEL) and Restorative Practices (RP) to guide their work. Foundations of SEL, RP, and the American School Counselor Association (ASCA) National Model will be highlighted to make connections among the three.

Improving Equitable Outcomes with Social Emotional Learning (SEL)/Academic Integration

LCFF Priorities: **4** **5** **6**

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description
In order to improve academic outcomes, Social Emotional Learning (SEL) must be explicitly taught and integrated into daily classroom routines, practices, and across content. SEL/Academic integration is a universal approach that includes the following three strategies: Nurturing a supportive classroom climate, integrating SEL into academic instruction, and explicitly teaching/reinforcing SEL skills.

Participants will:

- Learn the three essential strategies of SEL/Academic integration and why they matter.

- Learn how to support classroom climate with three SEL Signature Practices and the approach of Establish, Maintain, Restore.

- Learn how to integrate SEL into academic instruction using the strategy of Anticipate, Reinforce, and Reflect.

- Learn how to explicitly plan for SEL instruction that is developmentally appropriate and culturally responsive.

Integrating Restorative Practices and Social Emotional Learning (SEL)

LCFF Priorities: 5

Social Emotional Learning
**Level 1: Universal**
Workshop/Training/Conference

Description
This series is designed for classroom teachers, school staff, and administrators at any level, K–12. These modules will introduce key concepts of building a Restorative Practices (RP) approach and will highlight key Social Emotional Learning (SEL) principles that support a Restorative Practices culture at the classroom, school, or district level. We will look at fundamentals behind Restorative Practices and SEL, including data that supports RP/SEL as a means to increase academic engagement, reduce disproportionate discipline, and improve overall mental health and wellness of both students and adults.

1. Introduce key concepts of building a Restorative Practices mindset

2. Highlight key SEL principles that support a Restorative Practices culture at the classroom, school, or district level

3. Explore ways in which Restorative Practices support your Diversity, Equity, and Inclusion work

4. Provide strategies that will increase academic engagement, reduce disproportionate discipline, and improve the overall mental health and wellness of both students and adults

Recommended for

ME, YOU, WE: How Social Emotional Learning (SEL) Is Aligned with Positive Sports Culture

LCFF Priorities: **5**   **6**   **8**

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description

With nearly 800 thousand student athletes in California, it is imperative that the skills and conditions we desire in the school day mirror those we desire in extracurricular activities. It is equally important that we invest in the growth and professional development of our staff on the frontline.

This series is designed to highlight how the core competencies of Social Emotional Learning (SEL) are aligned with the best practices of coaching. Participants will gain an understanding of the Collaborative for Academic, Social, and Emotional Learning (CASEL) Competencies, positive coaching strategies, and how to recognize the SEL strategies present in sports culture geared toward the evolving student athlete.

Mirrors and Windows: Using Adult Social Emotional Learning (SEL) to Navigate Difficult Equity Conversations

LCFF Priorities: **5**   **6**   **8**

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description
This session is designed for anyone who works in education and is looking to grow their equity mindset and actions. We will explore systems of oppression and patterns of inequity, both historic and current, and think through how these systems impact us, our students, and our families. We will build on and strengthen our Adult Social Emotional Learning (SEL) skills (self-awareness, social awareness) as we engage in reflection, discussion, and action.
This session can be offered by invitation to individuals and can be targeted to a variety of audiences.

Restorative Practices to Build Community and Social and Emotional Learning (SEL) Skills

LCFF Priorities: **5** **6** **8**

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description

We all know that a strong sense of connection and belonging is crucial for our young people to be able to engage socially and academically at school. In this professional learning session, participants will gain an understanding of the importance of building community and connection for young people and adults alike. We will explore specific social and emotional learning skills that align with Restorative Practices principles, and begin to plan for ways to co-create a positive, safe, and inclusive school climate. Our session will also cover the use of restorative questions to address and repair harm from conflict or disagreements.

Recommended for

Grades K–12 Teachers, Administrators, Support Staff, Expanded Learning Staff, Parents, and Families

RULER Training for Schoolwide Social Emotional Learning (SEL)

LCFF Priorities: **5** **6**

School-Based Mental Health and Wellness
Level 1: Universal
Workshop/Training/Conference

Description
Schools are uniquely positioned to address the complex challenges facing students, including mental health needs, and help students develop the needed Social and Emotional skills which further develop and set the conditions for learning. SCOE is partnering with the Yale Center for Emotional Intelligence to provide training in the evidence-based Social Emotional Learning approach, RULER.

The goal of RULER is to create emotionally intelligent schools and districts. RULER is the acronym for: Recognizing, Understanding, Labeling, Expressing, and Regulating emotions. Supported by a team from Yale and SCOE, the RULER training consists of:

- Schools select a team of 3 to attend the initial, 2-day summer training.
- School teams integrate RULER practices into school.
- School teams develop classroom interventions and curricular supports for all students in the school (MTSS Tier I intervention).

Recommended for
K–12 District Administrators, County Offices of Education, Teachers, Support Staff, and Counselors

Social Emotional Development in Early Learning

LCFF Priorities: **5** **6**

Early Learning
Level 1: Universal
Workshop, Learning Community, and District/Site Support

Description
Social Emotional competency is an important indicator of future academic and personal success. Children enter classrooms with varying degrees of social emotional competency, so it is essential that social emotional skills are intentionally taught and utilized in order to develop competency. Social emotional skills and knowledge can reduce challenging behaviors and support a positive early learning experience in the classroom for both children and teachers. Early learning professionals can enhance their knowledge of best practices and strategies to support social emotional learning in the classroom through engagement in opportunities:

Topics include:

- California Teaching Pyramid Professional Learning, Coach and Trainer Authorization, Leadership Team participation
- California Preschool Instructional Network (CPIN) Professional Learning in Self, Social Interactions, and Relationships
- Positive Adult–Child Interactions
- Ages and Stages Questionnaire—Social Emotional trainings
- Trauma Informed Practices
- Talking with Parents About Concerns

Recommended for
Early Learning (Infant/Toddler/Preschool/Transitional Kindergarten) Teachers, Administrators, Coaches, Paraprofessionals, Behavioral Support Staff, and others working with children in an early learning setting

Social Emotional Learning (SEL) Community of Practice

LCFF Priorities: **5**   **6**

**Social Emotional Learning
Level 1: Universal
Learning Community**

Description
SCOE supports Social Emotional Learning (SEL) integration through a regional community of practice (CoP) that leverages the expertise of districts in the region to build the capacity for all. This CoP is for teams of educators who are ready to lead SEL integration in their districts/schools. California's SEL Guiding Principles provide a platform to work together and build on the implicit and explicit SEL practices already happening in schools.

Goals for the CoP include:

- Offering a collaborative space for professional learning around SEL and connected equity efforts.
- Providing ongoing networking and sharing of best practices.
- Integrating district/school action planning opportunities.
- Showcasing successful SEL efforts in districts/schools.

Recommended for
Community-Based Organizations, Early Learning, TK–12, Adult Education, District Office, County Office, Higher Education, Teachers, Administrators, Support Staff, Coaches, Counselors, Instructional Assistants/Paraprofessionals, and Expanded Learning Staff

Transformative Social Emotional Learning (SEL): Building and Sustaining the Capacity of School and District Staff

LCFF Priorities: **5** **6**

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description

Transformative Social Emotional Learning (TSEL) expands on existing SEL frameworks to support the goals of diversity, equity, and inclusion. Nurturing and reinforcing the TSEL expressions of Identity, Belonging, Agency, Curiosity, and Collaborative Problem Solving will support students to feel seen and heard, and improve overall student engagement toward more equitable outcomes.

This workshop will be a train the trainer series, intended to build the capacity of school and district staff to lead TSEL learning modules. Participants will learn how to effectively facilitate TSEL learning modules for their schools and district.

Recommended for

K–12 Teachers, Counselors, Coaches, and Administrators

Understanding and Supporting Escalated Individuals

LCFF Priorities: 6

Social Emotional Learning
Level 1: Universal
Workshop/Training/Conference

Description
This learning series incorporates Social Emotional Learning approaches and Restorative Practices into supportive strategies for students or adults in before, during, and after crisis escalation. Participants will learn how to prevent, support, and repair from escalation.

Session will:

1. Introduce key concepts of trauma-informed care.

2. Weave in Social Emotional Learning and Restorative Practices principles to support escalated students.

3. Dive into the "crisis cycle" and learn concrete strategies you can implement immediately to prevent, respond to, and repair harm from behavioral crises.

Recommended for
Early Learning (Infant to PreK), Universal Prekindergarten, Transitional Kindergarten, and K–12 Teachers, Administrators, District Office, County Office, Support Staff, Instructional Coaches, Counselors, Instructional Assistants/Paraprofessionals, and Expanded Learning Staff

Culture, Climate, and Equity

Attendance and Engagement Network

LCFF Priority: **5**

Cross-Departmental Team
Level 1: Universal
Learning Community

Description
Regular student attendance is critical to learning. Students who don't attend school have a much higher likelihood of not graduating from high school. To support schools and school districts in this work, SCOE facilitates a quarterly countywide attendance improvement meeting that is open to all school districts in Sacramento County.

The meetings focus on discussing best practices for improving student attendance, resources, challenges, and coordination among districts. The desired outcome is a coordinated countywide effort to improve attendance outcomes. As needed, the group also discusses issues related to truancy reduction and the Student Attendance Review Board (SARB) process.

College and Financial Aid Workshops

LCFF Priorities: **3** **4** **6**

Sacramento Cal-SOAP Consortium
Level 1: Universal
District/Site Support

Description
Students, particularly those from low-income families or from communities without a strong culture of college attendance, lack information about post-secondary opportunities and the availability of financial aid.

Cal-SOAP provides college and financial aid workshops to secondary school students. Workshops target school-wide cohorts of high school juniors and seniors with the goal of increasing 1) awareness of college options, 2) awareness of the availability of financial aid, and 3) application to, admission to, and enrollment in postsecondary institutions.

Cal-SOAP also provides individual assistance to students in reviewing transcripts and selecting courses, choosing colleges, completing college and financial aid applications, and assisting with application follow-up.

Topics include:

- College options and entrance requirements
- Transcript review and self-evaluation
- College applications
- Financial aid literacy
- Student financial aid resources and application
- Student loan education
- Career Technical Education (CTE) and community college opportunities

Recommended for
Grades 11–12 Students and Families

Educational Rights and Resources for Youth Experiencing Homelessness

LCFF Priority: **3**

Foster Youth and Homeless Services
Level 2: Specialized
Workshop/Training/Conference

Description
Parents and legal guardians are the primary education decision-makers for their children. Parents of young people experiencing homelessness need to know their children's rights to effectively make these decisions and access the resources their children need.

Parents and guardians will:

- Learn about the kinds of living situations that are considered homeless under education statutes.

- Understand the rights of children and youth experiencing homelessness.

- Learn about the types of resources and supports available through the schools and community for parents and children experiencing homelessness.

- Understand parents' responsibilities to support the education of their children.

Family and Community Engagement (FACE) Network

LCFF Priority: **3**

Cross-Departmental Team
Level 1: Universal
Learning Community

Description

There is a powerful connection between student achievement and parent engagement. Educational leaders play a critical role in empowering educators and families to connect, engage, and work together so that all students can succeed.

To promote family and school partnerships, SCOE is convening a Family and Community Engagement (FACE) network for district and school leaders to:

- Develop district and local leadership capacity;
- Share best practices;
- Problem solve common issues; and
- Create a collective impact for change.

Network events will include bi-annual FACE Summits and FACE Workshops facilitated by SCOE departments.

Family Science Nights

LCFF Priorities: **2** **3**

Curriculum and Instruction
Level 1: Universal
District/Site Support

Description

The SCOE Science, Technology, Engineering, and Math (STEM) team facilitates and provides resources, support, and training for Family Science Nights that are hosted at school sites. The science nights are designed to engage students, parents, and teachers collectively in design/investigation challenges during which participants gain a deeper understanding of STEM-related concepts.

The challenges all have a design approach to them, similar to a Makerspace. The Family Science Nights are set up with 4 to 7 design challenges that students, parents, and teachers equally find inviting, and participants are free to roam from station to station working together to solve the challenges.

Improving Family Engagement to Support Educational Outcomes

LCFF Priorities: **2**   **3**

Seeds of Partnership
Level 1: Universal   **Level 2: Specialized**
Workshop/Training/Conference

Description

Seeds of Partnership provides assistance on behalf of the California Department of Education (CDE) Special Education Division (SED) to support the direction, initiatives, and activities that are a part of the State Performance Plan (SPP) related to the Individuals with Disabilities Education Act (IDEA) Indicators, such as parent involvement, family outcomes, and preschool least restrictive environment. Seeds of Partnership also provides statewide, coordinated technical assistance to the Family Empowerment Centers and Disability Council, as well as collaborates with regional, state, and national partners.

This project supports, creates, provides, and maintains varied resources and materials to support CDE and Local Educational Agencies (LEAs) to increase improvement of partnerships and provide professional learning resources that will assist in the improvement of family engagement practices and educational outcomes.

Seeds of Partnership coordinates parent input components of the CDE monitoring review process and identifies, creates, and highlights family engagement resources from infant through secondary transition that promote and encourage family-school partnerships and improved student outcomes.

The Role, Rights, and Responsibilities of Education Rights Holders for Foster Youth

LCFF Priorities: **3** **6** **10**

Foster Youth and Homeless Services
Level 2: Specialized
Workshop/Training/Conference

Description

Education rights holders have the authority to make education decisions for a foster child. Learn about the crucial role the education rights holder plays in special education evaluations, Individualized Education Programs (IEPs), school placement, and school discipline issues.

Participants will:

- Learn who can and cannot hold education rights and when the court may order a surrogate.
- Understand the education rights of foster youth including school stability, immediate enrollment, school of origin, partial credits, and AB 167/216 graduation.
- Learn the definition of school of origin and the role it plays in promoting academic success and stability.
- Understand the unique education challenges of foster youth.
- Review the California Rules of Court and forms (JV-535 and JV-536) used to identify an Education Rights Holder.
- Learn the definition of *school of origin* and the best interest determination process.

Youth Mental Health First Aid

LCFF Priorities: 3 5

Prevention and Early Intervention
Level 1: Universal
Workshop/Training/Conference

Description

Youth Mental Health First Aid (YMHFA) is a basic public education program that teaches individuals how to help a youth experiencing a mental health crisis. Using an interactive format, this eight-hour course utilizes role-playing and simulations to demonstrate how to assess a mental health crisis, provide initial help, and connect young people to professional, peer, social, and self-help care.

Topics include:

- Risk factors and warning signs of a variety of mental health challenges common among adolescents, including anxiety, depression, psychosis, eating disorders, attention deficit hyperactivity disorder (ADHD), disruptive behavior disorders, and substance abuse disorders.

- A core five-step action plan to support an adolescent developing signs and symptoms of mental illness or who is in an emotional crisis.

SELPA: Verbal De-escalation Training

LCFF Priorities: **5** **6**

Special Education SCOE/SELPA
Level 2: Specialized
Workshop/Training/Conference

Description
Training is provided in de-escalating behaviors through the Crisis Prevention Institute (CPI) program. Strategies are shared to help de-escalate students who are demonstrating pre-crisis behaviors or crisis-level behaviors.

Participants will learn a range of preventative techniques, de-escalation strategies, and communication skills. All strategies taught keep the philosophy of CPI which is to "promote the best possible Care, Welfare, Safety and Security for all involved in a crisis situation." Participants will learn that the majority of all communication takes place through the use of body language (kinesics), personal space (proxemics) and how we say, what we say (paraverbals).

Participants will also get an overview of the verbal escalation continuum which lies within the defensive level of the Crisis Development Model. Strategies taught include: how to set limits; use of the "broken record" technique; and how to provide choices which are enforceable, as well as reasonable.

Being able to identify behaviors in each of the behavior levels and knowing how to respond appropriately can help us to: intervene early and appropriately; avoid over/under reacting; and help us to possibly avert a potential crisis situation altogether.

English Learner Roadmap: Power in Collaboration Across California (EPiCC)

LCFF Priorities: **4** **6**

Multilingual Education
Level 1: Universal **Level 2: Specialized**
Workshop/Training/Conference

Description
Through English Learner Roadmap: Power in Collaboration Across California (EPiCC), SCOE offers a comprehensive professional learning opportunity that include workshops, institutes, strands, and forums which provide various entry points and levels of engagement for educators. The topics are delineated from the English Learner policy and highlight the diversity, equitable, and research-based practices for multilingual-English learners.

Goals:

1. Increasing educators' knowledge of the research-based practices for multilingual-English learners, and understanding of the implications for multiple roles and levels of the system

2. Building skills and strategies for implementing evidence-based practices

3. Facilitating the development of shared vision and priorities for local plans and implementation of the Roadmap leading to greater coherence

4. Supporting the design, improvement, and sustainability of strong research-based language acquisition programs and services for multilingual-English learners, including dual language programs

5. Developing local policies and LEA system mechanisms focused on the needs of multilingual-English learners.

English Learner Roadmap Power in Collaboration Across California (EPiCC) Zone A Professional Learning Network

LCFF Priorities: **4** **6**

Multilingual Education
Level 1: Universal   **Level 2: Specialized**
Workshop/Training/Conference

Description
There are more than 1.1 million English learners in California classrooms. Over 94,000 are concentrated in California's Capital Geographical Area (Regions 3, 4). SCOE's English Learner-Multilingual Professional Learning Network (PLN) is a one-day event focused on developing capacity for teacher, site, and central office leaders in support of more effectively meeting the needs of all language learners in their classrooms, schools, and districts.

The symposium includes:

- Renowned keynote speakers,

- A variety of sessions provided by local practitioners, and

- Session topics on information, practices, and resources on supporting assets-oriented and needs-responsive schools.

The Symposium will highlight innovative practices that help multilingual-English learners achieve to their highest potential.

Local Educational Agency Comprehensive Support and Improvement (CSI) and Additional Targeted Support and Improvement (ATSI) Workshop

LCFF Priorities: **1** **4** **5**

Planning and Improvement
Level 2: Specialized
Workshop/Training/Conference

Description
The Every Student Succeeds Act (ESSA) requires state educational agencies to determine school eligibility for Comprehensive Support and Improvement (CSI) and Additional Targeted Support and Improvement (ATSI). Schools that meet the criteria for CSI or ATSI must collaborate with educational partners to develop and implement a school-level plan to improve student outcomes. This workshop will review CSI/ATSI Local Educational Agency (LEA) requirements and provide resources for leading schools through school level data review, root cause analysis, developing a problem of practice, developing goals and strategies and monitoring CSI/ATSI plan implementation.

Topics include:

- LEA CSI Requirements including providing support for identified schools and monitoring and evaluating plan effectiveness
- CSI Plan Requirements
- LEA ATSI Requirements
- ATSI Plan Requirements
- ATSI Indicator Analysis Tool
- Continuous Improvement Resources

Multilingual Education Leadership Network (mELn)

LCFF Priorities: **2** **4**

**Multilingual Education
Level 1: Universal
Learning Community**

Description

SCOE hosts quarterly meetings for Coordinators of English Learner programs in Sacramento County. Administrators from districts throughout the Capital Service Region (Region 3) are welcome to attend.

The purpose of these meetings is to provide timely, relevant, and reliable information on English Learner legislation such as the Every Student Succeeds Act and policy such as the English Learner Roadmap implementation. Additionally, meetings offer best practices to meet state and federal accountability requirements and resources for assisting districts to increase student achievement across all subgroups. Staff from the California Department of Education and other agencies are frequently invited to present new information and answer questions. Participants value the opportunity to collaborate and share information with colleagues from other districts. Members are asked to disseminate information provided to them during meetings to the schools in their districts.

School Plan for Student Achievement (SPSA) Development Workshop

LCFF Priorities: **4** **5**

Planning and Improvement
Level 2: Specialized
Workshop/Training/Conference

Description
The School Plan for Student Achievement (SPSA) is a strategic plan for an individual school's improvement process. The plan is developed by identifying root causes of student challenges and identifying and implementing research-based instructional strategies to raise the achievement of students who are not yet proficient by state standards.

The Every Student Succeeds Act (ESSA) requires schools receiving Title I funds and operating a schoolwide program (SWP)— or schools identified for Comprehensive Support and Improvement (CSI), Targeted Support and Improvement (TSI), or Additional Targeted Support and Improvement (ATSI)—to develop a school plan. EC Section 64001 specifies that schools and districts that receive state and federal (or other applicable) funding through the district's Consolidated Application process prepare a SPSA for any recipient school.

The SPSA workshops will:

- Provide an overview of the SPSA and site council requirements.
- Provide tools and strategies for analyzing data and input to develop a thorough needs assessment and SPSA evaluation.
- Assist plan developers in researching evidence-based practices to develop high-leverage actions.

Recommended for
District and Site Administrators, Assistant Principals, and other District and Site Staff

State and Federal Programs Network

LCFF Priority: **1** **4**

Planning and Improvement
Level 2: Specialized
Learning Community

Description
State and Federal accountability standards are complex and are frequently updated. Staff responsible for the Local Control and Accountability Plan (LCAP), Title I and Title III plans, the Consolidated Application, and other school plans must be knowledgeable about education policy and applications. The Planning and Improvement team hosts monthly meetings for leaders to immerse themselves in these topics. District and charter school administrators from throughout the Capital Service Region (Region 3) are welcome to attend.

The purpose of these meetings is to:

• Provide timely and pertinent information on the implementation of the Every Student Succeeds Act (ESSA)

• Update attendees on state and federal accountability requirements

• Share resources for assisting districts to increase student achievement across all student groups

Staff from the California Department of Education frequently join the network meetings to present new information and answer questions. This colleagueship fosters collaboration and information sharing in a spirit of continuous improvement.

Title III Guidance

LCFF Priorities: **3** **4**

Multilingual Education
Level 1: Universal
District/Site Support

Description
SCOE's Curriculum and Instruction team provides local education agencies assistance in meeting Title III/English Learners reporting requirements. Title III or the Language Instruction for English Learners and Immigrant students program assists school districts with teaching English to limited-English-proficient students and helping these students meet the same challenging state standards required of all students.

Services include:

Guidance
- Developing Title III Every Student Succeeds Act (ESSA) Plan Template/formerly referenced as Local Control and Accountability Plan (LCAP) Addenda
- Reviewing and providing feedback on the Title III ESSA Plan
- Selecting areas of focus and defining specific actions and services
- Alignment and intersectionality for the School Plan for Student Achievement (SPSA) and LCAP development and implementation

Support
- Monitoring implementation of progress and strengthening district infrastructure
- Providing technical support with the California Monitoring Tool (CMT)
- Meeting the Federal Program Monitoring demands successfully

Coaching
- Evaluating the components in the Title III Plan
- Evaluating English Learner Program at the district, school, and charter levels

Recommended for
TK–12 Administrators

Systems Improvement

Williams Technical Assistance

LCFF Priorities: | 1 |

Planning and Improvement
Level 1: Universal
District/Site Support

Description
This training is designed for leaders of schools—whether new or experienced with the Williams inspection. We will help you understand what the Williams inspection looks like, including best practices on how to prepare to ensure a smooth experience.

Education Code Section 1240 requires the County Superintendent to annually review the schools under his/her jurisdiction that have been identified as a Williams school. Assembly Bill (AB) 599 updates the criteria for schools eligible for the monitoring to include:

• Schools eligible for Comprehensive Support and Improvement (CSI) under the Every Student Succeeds Act (ESSA); or

• Schools eligible for Additional Targeted Support and Improvement (ATSI) under ESSA; or

• Schools with fifteen percent or more of the school's teachers who do not possess a valid and clear or preliminary teaching credential.

Continuous Improvement Training

LCFF Priorities: **4** **6**

Planning and Improvement
Level 1: Universal   Level 2: Specialized
Workshop/Training/Conference and District/Site Support

Description
The SCOE Planning and Improvement team delivers professional learning and support to schools/districts in the continuous improvement process. Continuous improvement is a process that supports educational stakeholders in implementing and studying small changes with the goal of making lasting improvement. Continuous improvement helps educators address a specific problem through iterative cycles to test potential solutions to the identified problem. These cycles support the development, revision, and fine-tuning of a tool, process, or initiative that leads to desired change.

An Administrator's Guide to Understanding the California School Dashboard

LCFF Priorities: 4

Center for Student Assessment and Program Accountability (C-SAPA)
District and School Support
Level 1: Universal
Workshop/Training/Conference

Description

Site administrators have unique needs, and this workshop is specifically designed with those needs in mind. In this workshop, learn how each Dashboard indicator is defined and calculated, but more importantly what that means as the school leader. Time will be spent digging into the 5x5 colored tables to understand school color rating and to learn how to determine how much improvement is necessary to move to a different color. Finally, using data from the California School Dashboard for goal setting will be discussed.

This practical workshop will leave site administrators with a better understanding of how their school is being held accountable, what they can do to monitor progress on key indicators, and how to set reasonable goals for improvement.

Data Analysis, Research, and Program Evaluation Services

LCFF Priorities: **4** **5**

Center for Student Assessment and Program Accountability (C-SAPA)
Level 1: Universal   Level 2: Specialized
District/Site Support

Description

The Center for Student Assessment and Program Accountability (C-SAPA) has extensive experience and expertise to analyze assessment and accountability data and develop and implement high-quality applied research and program evaluation projects. Services include:

• Study design
• Development of survey and other data collection tools
• Data collection and management
• Data audits and development of protocols
• Statistical analyses
• Report production
• Presentation of results

Upon request, C-SAPA can also facilitate sessions focused on data analysis and interpretation of assessment and accountability data to assist in school or district improvement efforts.

Data literacy is critical to guide decisions, inform policy, and impact program and service delivery to students. Whether it's a program evaluation embedded in a Local Control Accountability Plan (LCAP) designed to measure the effectiveness of services to students or an evaluation study design as part of a grant application for new funds, the C-SAPA team can customize services to meet your needs.

Foster Youth Identification and Data Reconciliation in the Foster Focus Database System

LCFF Priorities: **8** **10**

Foster Youth and Homeless Services
Level 2: Specialized
Workshop/Training/Conference

Description

A key component of the Local Control Funding Formula (LCFF) definition of foster youth is a youth's court supervision and placement status. Youth may be living in an out-of-home placement or living with their family members and still be considered foster youth. The Foster Focus database system centralizes data imported from the state child welfare system, the California Longitudinal Pupil Achievement Data System (CALPADS), and school districts' Student Information Systems (SIS) to ensure the accuracy of the CALPADS foster youth identification and local student information systems' data match.

Participants will:

• Understand the LCFF foster identification process in CALPADS.

• Learn how to utilize local Foster Focus database system data to identify and locally match students that are missing from the CALPADS foster reports.

• Learn how to utilize state and local data in the Foster Focus database system to track foster youth as they experience school, placement, and foster status changes.

Using the Foster Focus Database System District Dashboard

LCFF Priorities: **5** **10**

Foster Youth and Homeless Services
Level 1: Universal
Workshop/Training/Conference

Description
The Foster Focus data system sifts through a river of data imported from school districts, the California Longitudinal Pupil Achievement Data System (CALPADS), and the State child welfare system and presents the most essential, actionable information on the Foster Focus District Dashboard. Critical events like absences, suspensions, and residence changes are delivered daily, enabling educators to take immediate action to support the success of their foster youth.

Participants will:

• Understand the features of the Foster Focus District Dashboard.

• Learn how to configure the system to produce information that aligns with district priorities and reduce the noise created by too much data.

• Explore the types of actions that educators might take when receiving each type of alert.

BridgeED: Bridging Inclusive Policy to Practice

LCFF Priorities: **1** **4** **5** **6** **7**

Diversity, Equity, and Inclusion
Level 1: Universal
Learning Community

Description

This Community of Practice (CoP) aims to bridge the gap between educational policy and its practical implementation. It provides a collaborative space for educators, administrators, policymakers, and community members to explore key topics essential for creating inclusive and effective learning environments.

Discussions focus on:

1. Master Scheduling: Advanced strategies and best practices for optimizing resources, accommodating diverse student needs, and aligning with educational goals.

2. Least Restrictive Environment (LRE): Methodologies to ensure all students, including those with disabilities, receive appropriate support within the least restrictive settings.

3. Accessibility: Cutting-edge approaches to integrate universal design principles into curriculum and infrastructure for inclusive learning environments.

4. School Culture and Community: Strategies for administrators to foster positive school cultures and strong community partnerships centered on inclusivity and belonging.

5. Inclusivity and Belonging: Leadership practices for promoting inclusivity, addressing bias, fostering cultural competence, and nurturing a sense of belonging among students, staff, and families.

AVID Elementary College Readiness System

LCFF Priorities: 2 4

Advancement via Individual Determination (AVID)
Level 2: Specialized
District/Site Support

Description

AVID's Elementary mission is to close the opportunity gap by preparing all students for college readiness and success in a global society. It is designed for the self-contained K–6 classroom and is embedded into the daily instruction of all classrooms in order to impact schoolwide instruction, systems, leadership, and culture.

Full AVID Elementary implementation incorporates:

- Organizational skills

- Student success skills *(e.g., communication, self-advocacy, note-taking, critical thinking, study skills)*

- WICOR lessons *(writing, inquiry, collaboration, organization, and reading to learn in all content areas)*

- Partnerships among students, classrooms, grade levels, schools, feeder patterns, families, and communities

SCOE's AVID department supports district personnel, principal/site leaders, and teachers by providing implementation coaching including multiple classroom observations a year, data analysis, and classroom diagnostics to support intentional instruction focused on student needs, district/site plan support, as well as multiple regional and school-level professional development opportunities.

AVID Excel College Readiness System

LCFF Priorities: **2** **4**

Advancement via Individual Determination (AVID)
Level 2: Specialized
District/Site Support

Description
AVID Excel changes the trajectory of Long-term English Language Learners (L-TELLs) by accelerating language acquisition, developing literacy, and placing AVID Excel students on the path to high school AVID and college-preparatory coursework.

AVID Excel has four components:

- AVID Excel Coursework
- Professional Learning
- Family Connections
- Biliteracy

Through a sequential set of middle school 7th and 8th grade courses, students are supported to build their academic language, leadership skills, and overall sense of commitment to school with a cohort of peers who share their same college readiness goals. AVID Excel Family Connections are designed to help families feel comfortable on the middle school campus, foster their increased participation, and expose them to what college readiness and academic language building means for them and their student. SCOE's AVID department provides implementation coaching including multiple classroom observations a year, data analysis and classroom diagnostics to support intentional instruction focused on student needs, district/site plan support, and multiple regional and school-level professional development opportunities.

AVID Individualized District/Site Training (series or one-day options)

LCFF Priorities: **2** **4**

Advancement via Individual Determination (AVID)
Level 2: Specialized
Workshop/Training/Conference

Description
Improving student engagement and rigorous teaching is imperative to increasing student achievement. Individualized training opportunities, in a district/site determined period and calendar date(s), allows the district/site leadership and AVID SCOE coach to create a professional learning plan that supports the use of AVID methodologies in the classroom.

Topics include:

- Classroom observations for Writing, Inquiry, Collaboration, Organization and Reading (WICOR) curriculum and strategy use.

- Data analysis (e.g., CAASPP scores, California Dashboard, AVID Certification, AVID General and Senior data) to determine areas of focus.

- Collaborative planning with district/site leadership.

This workshop (series) is facilitated by AVID National Staff Developers and practitioners in the field who are experts in the AVID College Readiness System and who use AVID's WICOR curriculum and strategies to improve student engagement, rigorous lessons, and to close the achievement and opportunity gap.

AVID Path to Schoolwide Training (12 hours)

LCFF Priorities: **2** **4**

Advancement via Individual Determination (AVID)
Level 1: Universal **Level 2: Specialized**
Workshop/Training/Conference

Description
These trainings feature a rigorous curriculum that promotes student achievement at the highest levels and lays out a pathway to student success. Based on the teacher-developed, classroom-proven AVID College Readiness System, Path to Schoolwide trainings offer guides and materials for teachers, administrators, academic counselors, career advisors, and anyone who wants to help students fulfill their potential and successfully prepare for college. Participants will become familiar with AVID methodologies and learn what to anticipate when a school focuses its structures, processes, protocols, and systems to strategically improve performance of all students.

AVID provides two-day trainings for elementary educators, content teachers in English, mathematics, science, and history/social science, as well as trainings designed for teachers of English learners and teachers of non-core subjects.

Path to Schoolwide is designed for Elementary and Secondary administrators, counselors, AVID Elective teachers, as well as elementary, middle, and high school content-area teachers. Participants must be from an AVID District to attend an AVID Path to Schoolwide training.

AVID Professional Learning TK–12 Workshop Series

LCFF Priorities: **2** **4**

Advancement via Individual Determination (AVID)
Level 1: Universal
Workshop/Training/Conference

Description
Student engagement and rigorous lessons are critical to improving student achievement. This quarterly workshop series features three 90-minute sessions with multiple strands that support implementation of the Common Core State Standards using AVID's Writing, Inquiry, Collaboration, Organization, and Reading (WICOR) curriculum and strategies.

Participants will:

- Learn how to implement and refine the AVID College Readiness System by focusing on instruction, system, leadership, and culture.

- Intentionally and purposefully use AVID's WICOR curriculum and strategies.

- Connect and apply their learning directly into their classrooms for immediate results.

- Articulate, network, and partner with K–12 AVID districts and sites.

This workshop series is facilitated by AVID National Staff Developers and practitioners in the field who are experts in the AVID College Readiness System and who use AVID's WICOR curriculum and strategies to improve student engagement, rigorous lessons and to close the achievement and opportunity gap.

A school district must have an AVID membership contract with the AVID Center in order to participate in this workshop series. Contact us to learn more about how to expand AVID in your school and district.

AVID Secondary College Readiness System

LCFF Priorities: **2** **4**

Advancement via Individual Determination (AVID)
Level 2: Specialized
District/Site Support

Description

AVID Secondary's mission is to close the opportunity gap by preparing all students for college readiness and success in a global society. The AVID Elective is the core of AVID Secondary, grades 6–12. It targets students in the academic middle—B, C, and even D students—with the desire to go to college and the willingness to work hard. Typically, they will be the first in their families to attend college, and come from groups traditionally underrepresented in higher education. These are students who are capable of completing rigorous curriculum but are falling short of their potential. AVID Secondary goes beyond the AVID Elective course to affect an entire campus or district by creating a college-going culture that increases the number of students who enroll and succeed in higher education and their lives beyond.

SCOE's AVID department provides implementation coaching including multiple classroom observations a year, data analysis and classroom diagnostics to support intentional instruction focused on student needs, district/site plan support, and multiple regional and school-level professional development opportunities.

Capital Regional Assessment Network (CRAN)

LCFF Priority: `4`

Center for Student Assessment and Program Accountability (C-SAPA)
Level 1: Universal
Learning Community

Description
Facilitated by the Center for Student Assessment and Program Accountability (C-SAPA) team, the Capital Regional Assessment Network (CRAN) is comprised of assessment and accountability professionals working in county offices of education, school districts, and charter schools who meet monthly to learn, share, and network.

Meeting content includes updates on California's assessment and accountability programs, guests from the California Department of Education and Educational Testing Services (ETS), shared resources developed by CRAN members, and development of new ideas for displaying and sharing data.

Recommended for
K–12 District Office, County Office, and Administrators

English Language Proficiency Assessment for California (ELPAC): An Overview

LCFF Priority: 4

Multilingual Education
Level 1: Universal
Workshop/Training/Conference

Description
The English Language Proficiency Assessments for California (ELPAC) is critical for the identification and exit criteria for English learners. SCOE's Curriculum and Instruction team provides participants with a clear overarching connection on how the data can be used to impact teaching and learning in the classroom.

In this workshop, participants will:

- Get an overview of the ELPAC, the 2012 English Language Development standards, and the data received from the test.
- Learn about the ELPAC Task Types and dig into sample items.
- Deconstruct an item showing its alignment to the standard.
- Understand accessibility options for English learners across all statewide assessments.

The Formative Assessment Process Powered by the Smarter Balanced Tools for Teachers

LCFF Priority: **4**

Curriculum and Instruction
Level 1: Universal
Workshop/Training/Conference

Description
Explore the power of the Smarter Balanced Tools for Teachers resources that are readily available to all California educators as they employ the formative assessment process in their classroom to improve teaching and learning.

In this session, participants will focus on learning more about the nature and importance of the formative assessment process and developing a deep understanding of how the Tools for Teachers resources can help in their daily work toward student success. Additionally, they will engage in a hands-on exploration of the Tools for Teachers resources that support formative assessment with the goal of improved teaching and learning.

Career Technical Education (CTE) New Teacher Training and Support

LCFF Priorities: **4** **7** **8**

College and Career Readiness Initiatives
Level 1: Universal
Workshop/Training/Conference

Description
Career Technical Education (CTE) credentialed teachers have industry experience, but little classroom experience. This training is designed for new, or almost new, CTE teachers to help them develop introductory teaching skills, knowledge, and attitudes required for CTE teaching success. This 18-hour course will be facilitated by staff from CTE leaders in Sacramento County.

Topics include:

- Classroom management
- Creating a positive learning environment
- Designing engaging instruction for all learners
- Effective assessment of student learning
- Surviving and thriving as a professional educator

Recommended for
High School and Adult Education Teachers

Teaching and Learning in Community Classrooms

LCFF Priorities: | 2 | 4 | 5 | 7 | 8 |

District and School Support: Community Schools Initiative
Level 1: Universal
Workshop/Training/Conference

Description
The Capitol Area Regional Transformational Center (R-TAC) designs and facilitates a learning series focused on the ways in which Community Schools can transform the experience of students and teachers in the classroom. Working from the assumption that Community Schools must look to the classroom in order to truly change the ways young people experience schools, we will demystify how to do this, uplift promising practices, and give participants time to examine their own context to plan and implement. Participants will get tools, ideas, and time to connect with others throughout these sessions and hear from people doing this work.

Recommended for
California Community Schools Partnership Program (CCSPP) grantees and anyone interested in strengthening family and community partnerships

Early Learning Administrators Leadership Support

LCFF Priorities: **4** **6**

**Early Learning
Level 1: Universal
Learning Community**

Description
The Early Learning Administrators Leadership Academy (ELALA) and Strengthening Early Learning Leadership (SELL) are designed to develop leadership knowledge and capacity thorough a collaborative and reflective process with other early learning leaders in Sacramento County.

Topics include:

- Best practices to create an equitable, inclusive, and trauma informed learning environment that supports ALL children
- Strong family and community partnerships which are equitable, inclusive, and trauma informed
- Early learning program quality improvement and engagement with Raising Quality Together (RQT): Sacramento's Quality Improvement System (QIS)
- Developmental screening system to support early identification, early intervention, and Child Find requirements
- Business Essentials, Staffing Essentials, Community Cares Licensing Essentials, technical support, and coaching
- PreK–grade 3 policies and promising practices to create an aligned inclusive education pathway for children and their families

Joyful Literacy and Creative Expression with Young Children

LCFF Priorities: **3**   **7**

Early Learning
Level 1: Universal
Workshop/Training/Conference

Description

Joyful Literacy and Creative Expression is presented as one- to three-hour sessions, full-day professional learning, and three-day institutes. It is designed to support interactive read-alouds using culturally affirming storybooks, oral language development, and creative expression through writing and the arts in PK–1st grade. Joyful Literacy promotes family engagement with home-school activities. Participants receive resources to cultivate joy, creativity, and literacy development with young children.

Participants will learn:

1. How to plan an interactive read-aloud routine using culturally affirming storybooks.

2. How to bring more joy and creativity into literacy activities.

3. Ways of creating family–school literacy partnerships.

Recommended for

Early Learning and TK–6 Teachers, Administrators, Support Staff, Instructional Coaches, Instructional Assistants/Paraprofessionals, Expanded Learning Staff, Parents, and Families

Integrated and Designated English Language Development (ELD)

LCFF Priorities: **2** **4**

Multilingual Education
Level 1: Universal
Workshop/Training/Conference

Description
Effective implementation of the English Language Development (ELD) Standards by classroom teachers in integrated and designated ELD is supported through technical assistance that focuses on understanding the essential features of integrated and designated ELD. As an outcome of this support, TK–12 teachers build a bridge between the demands of the application of instructional program and meeting the academic and linguistic needs of English learners in the content areas in alignment with the English Learner Roadmap.

The focus is on deepening knowledge about and implementing quality teaching and learning practices for multilingual-EL students. The sessions will feature guidance provided in key California Department of Education resources, including the English Learner Roadmap policy, ELD Standards, ELA–ELD Framework, and Improving Education for Multilingual and English Learner Students: Research to Practice.

Establishing a Pathway to Civic Engagement

LCFF Priorities: **2** **4** **5** **6**

Curriculum and Instruction
Level 2: Specialized
District/Site Support

Description

The California Department of Education established a State Seal of Civic Engagement (SSCE) award for high school graduates. To support districts and charters in establishing a pathway to civic engagement, SCOE offers technical assistance and resources to recognize students throughout their educational experience beginning in preschool. SCOE support includes the development of local criteria for award of the SSCE in 11th and 12th grades as well as resources to engage students of all ages in active civic learning and informed action.

History–Social Science Leadership Network

LCFF Priorities: **2** **4**

Curriculum and Instruction
Level 2: Specialized
Learning Community

Description
SCOE convenes bi-monthly meetings of Sacramento County LEA's history–social science leadership network. This professional network is designed to support LEAs with adoption of curricula, implementation of courses, design of professional learning opportunities, and other issues that may arise throughout the school year. In addition to the required history–social science coursework, this network intentionally supports implementation of the State Seal of Civic Engagement, Ethnic Studies, and the ability of districts throughout the county to collaborate and learn from one another.

Co-Teaching Institute

LCFF Priorities: **4** **5** **6**

Diversity, Equity, and Inclusion
Level 1: Universal   Level 2: Specialized
Workshop/Training/Conference

Description
This intensive program offers educators the opportunity to deepen their understanding and practice of co-teaching—an innovative approach to inclusive education where general and special educators work together to meet the diverse needs of all learners. Whether new to co-teaching or seeking to refine current practice, this institute provides valuable insights and strategies to promote effective co-teaching in classrooms.

Participants will:

1. Engage in interactive workshops, hands-on activities, and peer collaboration sessions designed to enhance co-teaching skills, strengthen partnerships, and maximize student outcomes.

2. Learn the five co-teaching models and how to implement high-leverage practices to make the most of co-teaching. Gain a comprehensive under- standing of co-teaching models, roles, and responsibilities to effectively collaborate with colleagues and enhance student learning outcomes.

3. Develop practical strategies and instructional techniques for implementing co-teaching in diverse classroom settings, including differentiated instruction, co-planning, and co-assessment.

4. Cultivate a supportive professional network and community of practice to share experiences, resources, and best practices for sustaining successful co-teaching partnerships.

Inclusive Classrooms: Fostering Accessibility and Engagement

LCFF Priorities: **4** **5** **6**

Diversity, Equity, and Inclusion
Level 1: Universal
Workshop/Training/Conference

Description
Discover strategies for creating accessible classrooms where all students thrive. Explore Universal Design principles, assistive technologies, and effective communication techniques to ensure full participation. Engage in interactive exercises to overcome accessibility challenges and meet compliance standards. Whether educator, administrator, or instructional designer, gain tools to cultivate truly inclusive learning environments.

Learning Objectives:

1. Apply Universal Design principles for accessibility.

2. Explore assistive technologies supporting diverse needs.

3. Develop inclusive communication strategies.

4. Address accessibility challenges through hands-on exercises.

5. Understand legal requirements and best practices for compliance.

Leave equipped to design classrooms that empower every student to succeed.

Universal Design for Learning (UDL)

LCFF Priorities: **2** **4** **5**

Cross-Departmental Team
Level 1: Universal   Level 2: Specialized
Workshop/Training/Conference and District/Site Support

Description

Universal Design for Learning (UDL) is a framework that provides a way of thinking about teaching and learning that gives all students an equal opportunity to succeed. The framework enhances current district/site initiatives and turns the challenges posed by high standards and increasing learner diversity into opportunities to maximize learning for every student. The Curriculum and Instruction team provides overview training of the UDL guidelines and framework, customized district and site support of implementation, as well as content specific workshops in which planning teams can apply UDL guidelines to their lesson designs.

To strengthen UDL implementation, SCOE works with school and district leaders to create systems that support UDL practices. We facilitate a collaborative process that allows teams to design learning by setting clear, rigorous goals, anticipating barriers, and proactively designing lessons to minimize those barriers. The intended outcome is that teams collaborate, plan, analyze, and refine instruction to maximize student learning and engagement.

Universal Design for Learning (UDL) in Action: Practical Applications for Classroom Success

LCFF Priorities: **4**   **5**   **6**

Diversity, Equity, and Inclusion
Level 1: Universal
Workshop/Training/Conference

Description
Empower teaching with Universal Design for Learning (UDL) principles in this hands-on course. Explore how to design inclusive lessons that accommodate diverse learner needs, foster engagement, and optimize student success. Through real-world examples and interactive activities, participants will learn to implement UDL strategies effectively in their classroom. New educators or seasoned professionals will discover practical techniques to create accessible, engaging, and equitable learning experiences for all students.

Learning Objectives:

1. Understand the principles and framework of Universal Design for Learning (UDL).

2. Identify diverse learner needs and preferences to inform instructional design.

3. Apply UDL guidelines to develop flexible and inclusive lesson plans.

4. Utilize technology and resources to support UDL implementation.

5. Reflect on and refine teaching practices to enhance student engagement and achievement.

Participants will be equipped to design classrooms that empower every student to succeed.

Establish a Pathway to Biliteracy

LCFF Priorities: **3** **4**

Multilingual Education
Level 2: Specialized
District/Site Support

Description
The California Department of Education established a State Seal of Biliteracy award for high school graduates. To support districts and charters in establishing a pathway to biliteracy, SCOE offers technical assistance and resources to recognize students throughout their educational experience beginning in preschool. The tools include engaging families and staff in the value of speaking, reading, and writing in English and in a language other than English (LOTE). The support to districts and charters consists in establishing a local recognition award for multilingualism.

Improving English Learner Program Effectiveness

LCFF Priorities: **2**   **4**

**Multilingual Education
Level 2: Specialized
District/Site Support**

Description

SCOE provides technical assistance to evaluate and improve the effectiveness of the English Learner (EL) program and services in TK–12 by identifying areas of needed improvement and the possible steps to readjust these. Technical assistance includes an in-depth analysis of EL data as it relates to the programs and services currently in place.

Participants will engage in a facilitated process of bringing staff together from across departments/grade levels to make meaning of the English Learner Roadmap policy and its application to the work. They will also dive deeper into building a coherent and systemic implementation within the district, school, or charter through a multi-contextual, collaborative session and develop a shared vision and plan for infusing the Roadmap's principles into their work. The facilitation includes the Plan–Do–Study–Act Cycles of Improvement, shadowing students for linguistic intentions and academic gain. The practice results in equitable opportunities and outcomes for multilingual-English learner students.

Building Thinking Classrooms Support

LCFF Priorities: **2** **4** **5** **6**

Curriculum and Instruction
Level 2: Specialized
Workshop/Training/Conference

Description
A variety of services are available to support the implementation of the 14 research-based practices described in Peter Liljedahl's book *Building Thinking Classrooms*. These services foster active learning, engagement, and mathematical thinking in any classroom setting. In addition, the three Social and Emotional Learning (SEL) Signature Practices are integrated into classroom routines to enhance student belonging and motivation.

These services and support include:

- 5-Day intensive workshops
- 2-Day intensive workshops
- Series of 1-day workshops
- Administrator support
- Customized school site support
- Coaching

Computer Science (CS) and Educational Technology Workshops and Coaching Services

LCFF Priorities: **2** **4** **7**

College and Career Readiness Initiatives
Level 1: Universal   **Level 2: Specialized**
Learning Community

Description
The Computer Science (CS) and Digital Learning (DL) initiatives at SCOE provide orientation, onboarding, and ongoing workshops for K–12 teachers, counselors, administrators, paraeducators, and expanded learning practitioners throughout the school year.

Content for the CS and DL workshops align with the California K–12 Computer Science Standards and the International Society for Technology in Education (ISTE) Standards. Additionally, ongoing community of practice meetings are facilitated in partnership with the Computer Science Teachers Association. Lastly, ad-hoc technical assistance and office hours are provided to support educators as they explore CS and related educational technologies.

Workshops include:

- Code.org CS Fundamentals
- Google CS First
- Code.org CS Discoveries
- Exploring Computer Science
- Code.org CS Principles
- CS for Administrators
- Counselors for Computing
- Bootstrap: Algebra and Bootstrap: Data Science
- Computer Science Integration with Micro:bit

River Bend Science, Technology, Engineering, and Mathematics (STEM) Day Camps

LCFF Priorities: **2** **4**

Curriculum and Instruction
Level 1: Universal
Workshop/Training/Conference

Description
The SCOE Science, Technology, Engineering, and Mathematics (STEM) team provides STEM Day Camps at River Bend Park. Students engage in an Outdoor Environmental Education Program tied to the Next Generation Science Standards (NGSS). Students are immersed in a hands-on, STEM education experience with expert outdoor instruction. The program consists of a half-day camp along the American River where students will focus on many of the following topics, depending on need and/or season:

- History of the American River Parkway
- Engineering Design
- Open Grassland Environments/Habitats
- Macroinvertebrates (aquatic insects)
- Human Impact

Teacher Intern Program

LCFF Priority: **1**

School of Education
Level 1: Universal
Workshop/Training/Conference

Description
Teachers earn their Preliminary Multiple Subject, Single Subject (Mathematics or Science) and Education Specialist Instruction (Mild to Moderate Support Needs) Preliminary Credential through a two-year accredited intern program.

Teachers participate in a required preservice experience that provides them with foundational tools and interview skills that prepare them to be hired as teachers of record within local school districts.

During the credential program, interns teach during the week. On Saturdays, they attend rigorous courses taught by highly respected faculty. Interns are also supported by trained coaches and site mentors as they earn their preliminary credentials.

Teacher Residency Program

LCFF Priority: 1

School of Education
Level 1: Universal
Workshop/Training/Conference

Description

SCOE's Teacher Residency Program is an innovative teacher preparation program built upon an accelerated course of study. This program is centered around a yearlong student teaching placement at a single school site. Our mission is to develop and retain credentialed teachers from diverse backgrounds who foster respect, inclusion, and equity in students, classrooms, and the community. SCOE's School of Education's Teacher Residency Program is built upon a partnership between Pacific Oaks College and Capital Region school districts and charters.

Program highlights include:

- Teaching credential program with tuition waived and a monthly stipend
- Intense clinical practice (student teaching) alongside a mentor teacher for entire year
- Gradual release of teaching responsibilities during the school year
- 13-month preliminary credential program with Pacific Oaks College
- Structured and ongoing observations and feedback
- Comprehensive coursework and professional learning opportunities
- Teaching position upon successful completion of program
- Induction Program tuition waived after completion of Teacher Residency placement and credential program

School-Based Mental Health and Wellness (SBMHW) Internship

LCFF Priorities: **5** **6**

Career Pipeline
Level 2: Specialized
District/Site Support

Description

Recognizing the high demand for School-Based Mental Health and Wellness (SBMHW) professionals within Sacramento County, the SCOE Career Pipeline– SBMHW Path is designed to recruit and support undergraduate and graduate students in learning how to focus schools as centers of wellness. Interns are placed at a school site with primary supervision provided by a licensed mental health clinician who provides guidance and feedback as they work with students, faculty, and families throughout the school year.

The SBMHW Path is designed to support students in careers supporting schools as centers of wellness through paid internship opportunities as a Peer Specialist/Near Peer Mentor and a Graduate Clinical Intern.

Internship Benefits

- Learn and Earn – Paid Internship
- High-Quality Supervision
- Social Emotional Learning Curriculum through Yale University
- Gain Case Management Experience
- Exposure to Medical Billing and Documentation
- Experience in working with Children, Families, and Communities

SCOE 21 CA School Leadership Academy (SCOE 21CSLA)

LCFF Priority: **1**

School of Education
Level 1: Universal
Learning Community

Description

SCOE 21California School Leadership Academy (CSLA) enhances and strengthens leadership development for Central Office, site, and teacher leaders across the 14-county, Placer–Sacramento Geographic Region. The program consists of three separate opportunities for leadership professional development:

1. Professional learning is designed to build leaders' capacity to lead for equity, continuous improvement, and collaboration.

2. Communities of Practice (CoPs) provide opportunities for job-alike leaders to examine and improve equity problems of practice.

3. Transformative leadership coaching is available yearly to support teacher, site, and central office leaders to implement school/district initiative effectively and efficiently.

SCOE 21CSLA is provided at no cost to districts, schools, or individuals.
