NOTICE OF PUBLIC HEARING

A public hearing will be held by the Sacramento County Committee on School District Organization (County Committee) to receive public comment and input from the community regarding the Galt Joint Union Elementary School District's (GJUESD) proposal to change its method of electing governing board members. Currently, five GJUESD board members are elected under an "at-large" election system, where each trustee is elected by the registered voters of the entire school district. GJUESD proposes to change its election method so that one governing board member residing in each trustee area will be elected by the registered voters residing in that trustee area ("by-trustee area elections"). At the conclusion of the public hearing, the County Committee may take action to approve or disapprove GJUESD's proposal to change election methods, including its proposed trustee area boundaries map and sequence of elections.
