FEARLESS COACHING FOR SITE AND DISTRICT LEADERS

Dr. Kate Anderson Foley Creative Leadership Solutions

Fearless Coaching will increase School and District Leaders' capacity as instructional leaders. Coaches will learn how to use the Fearless Coaching tools that are designed to enhance equity-focused school improvement and collaboration. Coaches will learn what fearless coaching is and is not, identify ways to build psychologically safe relationships, and practice effective coaching stances that propel their leaders to achieve their goals. Coaches will leave with an actionable coaching toolkit that can be immediately implemented and that's aligned to the Five Key Practices of School and District Leaders aimed at transformational change.

All leaders will receive Creative Leadership Solution's book, *Fearless Coaching*.
