SACRAMENTO COUNTY BOARD OF EDUCATION

10474 Mather Boulevard, P.O. Box 269003
Sacramento, CA 95826-9003

Subject: Adopt Resolution No. 20-03 – Establishing Student Scholarship and Loan Fund	Agenda Item No.: VIII.D. Enclosures: 4
Reason: Discussion/Action	From: David W. Gordon Prepared By: Teresa Stinson Board Meeting Date: 02/18/20

BACKGROUND:

Students enrolled in Sacramento County Office of Education (SCOE) programs often pursue postsecondary opportunities, including higher education and vocational training programs. However, those opportunities can be cost prohibitive when they involve tuition, fees, and other expenses. At its June 11, 2019 meeting, the Sacramento County Board of Education (Board) discussed the possibility of establishing a SCOE scholarship fund for SCOE students, as permitted under Education Code sections 35310-35319. The Board expressed the desire to support the success of SCOE students in our court, community, and special education schools, and to recognize and honor the resiliency demonstrated by our students.

In September 2019, an ad hoc advisory group (including Trustees Bina Lefkovitz, Paul Keefer, and Alfred Brown Sr., and Superintendent Gordon) met to explore creating a SCOE scholarship fund. The advisory group discussed goals, process, potential scholarship criteria and partnerships, and determined that the next step was to identify potential scholarship committee members. The following individuals have been identified as recommended scholarship committee members:

1. Bina Lefkovitz, President, Sacramento County Board of Education
2. Alfred Brown, Trustee, Sacramento Board of Education
3. David W. Gordon, Sacramento County Superintendent of Schools
4. Lee Seale, Sacramento County Chief Probation Officer
5. Chet Hewitt, President and CEO, Sierra Health Foundation
6. Pam Haynes, Los Rios Community College Board
7. Eduardo Aguilar, Realtor

ACTION TO ESTABLISH SCHOLARSHIP FUND

Resolution No. 20-03 formally establishes the SCOE scholarship and loan fund and provides for the organization and operation of the fund. The fund will be used to provide interest-free loans for educational advancement, scholarship, or grants-in-aid. Recipients of the funds may include bona fide organizations under the Board’s jurisdiction, pupils, or graduates of SCOE schools. Resolution No. 20-03 also appoints the above listed individuals as founding scholarship committee members, sets two-year renewable terms, and establishes a process for appointing future members. By law, the

Superintendent must be the chairperson of the committee and chief executive officer of the fund.

Once the scholarship fund is established, the committee will meet to establish a name, award criteria, procedures, deadlines and fund accounting procedures, and to identify resources for fundraising. Once the necessary procedures are in place, scholarship opportunities will be publicized to potential applicants through SCOE schools and other means, and the committee will begin screening and determining scholarship recipients.

The scholarship and loan fund will be audited annually, and an annual report of the fund's activities and recipients will be presented to the Board.

SUPERINTENDENT'S RECOMMENDATION:

The Superintendent recommends that the Board adopt Resolution No. 20-03 – establishing a SCOE scholarship and loan fund and appointing founding members of the scholarship and loan committee.

**SACRAMENTO COUNTY OFFICE OF EDUCATION

The scholarship and loan fund shall be administered by a committee composed of Board members, the Superintendent, and/or other community, staff, administrative, and/or pupil representatives.

The Board president in conjunction with the Superintendent shall select committee members. Members shall serve a two-year term, and they may be reappointed for subsequent terms by the Board President and Superintendent.

As applicable, applicants may be required to submit letters of recommendation or other supplementary materials providing evidence of the applicant's accomplishments and/or need.

Scholarships and/or loans will be distributed from the fund in compliance with SCOE's Board Policy 5145.3 (Prohibition on Discrimination/Harassment/Sexual Harassment; Participation of Transgender Pupils in Academic and Educational Programs and Activities).

The committee may accept gifts, donations, and bequests made for the purposes of the scholarship and loan fund and may prescribe conditions or restrictions on these gifts and bequests. If the donor imposes any conditions, the committee shall review the conditions and make a recommendation to the Board as to the compatibility of such conditions with the intent and purpose of the fund. The Board may prohibit the committee from accepting any donation under conditions it finds incompatible with the fund's intent and purpose.

 Are you an incumbent Delegate? Yes No | If yes, year you became Delegate: 2017-18

**Why are you interested in becoming a CSBA Regional County Delegate and a member of CCBE's Board of Directors?
Please describe the skills and experiences you would bring.**

The advocacy for students is on-going. COEs are being asked to do more with no additional funding. New legislation and potential legislation in the 2nd session needs to be shepherd through the process and as a delegate to CSBA and BoD for CCBE I can be a voice as part of the team. I served as the co-chair of the Legislative Committee for the State SELPA for 10 years. The relationships developed at the Capitol over the years are important to the work we have in front of us. The years of experience is what I'll be able to bring to the role as a CSBA Delegate and BoD CCBE.

Please describe your activities and involvement on your local board, community, CSBA, and/or CCBE.

Currently, I'm serving my second term as president of the YCBE. The role on the board is to support and advocate for our students both locally, statewide and on the federal level. I sit on the Breaking Barriers statewide committee where we've been advocating for greater mental health services in our schools and communities. I had the pleasure of serving on the conference planning committees for both CCBE (2 yrs) and CSBA AEC-2019 and have been asked to serve on the 2020 committee. I have served on the CSBA Legislative policy committee and starting my 2nd year with ACSA committee

What do you see as the biggest challenge facing governing boards and how can CSBA and/or CCBE help address it?

FUNDING! The advocacy work that has been done has created the foundation for LEAs as we look to 2022 to have a major push on the Fair Full Funding Initiative. Mental Health services for all is going to be a challenge. Millions of dollars are being "left on the table" until we can develop a plan to unify these dollars and services (providers) so that our students can have their ACEs addressed. Changing the narrative on meeting the needs of students with disabilities is necessary and needed.

Submit biographical sketch form only once, do not send multiple times. E-mail: nominations@csba.org, or fax to (916) 371-3407, or US Mail to: CSBA Exec. Office | Attn: DA Elections | 3251 Beacon Blvd., West Sacto, CA, 95691 by Tues. Jan. 7, 2020.
