I. BACKGROUND

In January 2014, the Superintendent's Cabinet and Program Managers began budget development activities for fiscal year 2014/15. The development of the 2014/15 budget will follow the single-budget adoption cycle. The process required the County Board to hold a public hearing and adopt the 2014/15 budget by July 1. This process also requires that no later than 45 days after the governor signs the annual Budget Act, the County Office of Education shall make available for public review any revisions in revenues and expenditures that it has made to its budget to reflect the funding made available by the Budget Act.

II. 2014/15 ADOPTED BUDGET

The following pages contain the Superintendent's financial proposal for the 2014/15 fiscal year. A public hearing on the budget is scheduled for 6:30 p.m. on June 10, 2014 at the County Office. The budget adoption meeting is scheduled for 6:30 p.m. on June 24, 2014 at the County Office. Periodic revisions will be necessary during fiscal year 2014/15 to keep the budget current with changing circumstances.

III. BUDGET ASSUMPTIONS

- Beginning Balances: 2014/15 beginning balances for programs and funds are from the 2013/14 Budget Revision #3. Actual ending balances to be carried forward will be known when the 2013/14 accounts are closed.
- The Enacted 2013/14 California State Budget package replaced the previous K-12 finance system
 with a new Local Control Funding Formula (LCFF). Per the LCFF, local educational agencies
 (LEAs) receive minimum state funding of no less than the amounts received in 2012/13 for
 revenue limits and categorical programs. For fiscal year 2014/15, the Sacramento County Office
 of Education will continue to receive the funding set at 2012/13 or "Minimum State Aid".
- Reduction in Federal, State and Local Revenue of over \$1.2 million is typical for Adopted Budget as we do not budget for grants or contracts until award notifications are received.
- Salaries were budgeted with a 0% cost-of-living adjustment and 1.2% increase for step/column.
- Decreases in Certificated and Classified Salaries are primarily due to employee retirements in positions that will not be back-filled.
- The Employee Benefits increase of over \$240,000 is primarily due to increased employer contribution amounts for classified non-management health and welfare benefits per bargaining agreement settlement.
- The decrease in Services/Other Operating Expenses of over \$805,000 is due to decrease in contract services and related expenses until new grants or contracts are received.

- Capital Outlay reflects a decrease of over \$640,000 due to 2013/14 one-time projects in the Deferred Maintenance and Computer, Network, and Telecommunication Support budgets.
- Decrease of over \$2.6 million in Other Outgoing is due to reductions in amounts transferred out from Regional Occupational Program per agreements with school districts.
- Indirect charges on expenditures have been budgeted by programs for transfer to the General Support categories.
- The indirect rate for 2014/15 is 9.28% and the estimated total is \$5,008,250.

IV. GOVERNOR'S MAY REVISION / OTHER ITEMS TO BE CONSIDERED

In May 2014, Governor Jerry Brown released the Governor's May Revision for the 2014/15 Governor's Budget.

Highlights of the proposal include:

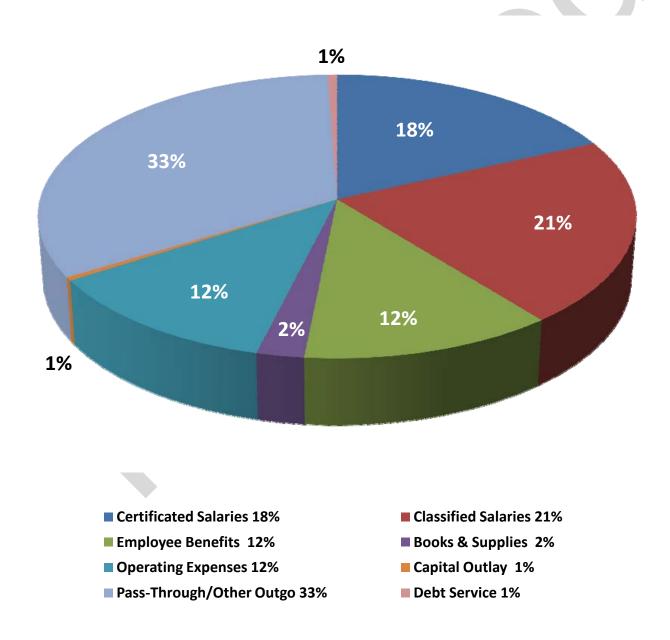

- The LCFF remains unchanged from the January budget
- Increased STRS employer contribution rate from 8.25% to 9.5% is effective July 1, 2014
- Increased STRS employer contribution rates over seven years and employee rates over three years
- No additional per-ADA statewide funding for LEAs for Common Core State Standards
- One-time dollars of \$26.7 million for K-12 High Speed Network to assess and provide grant funds to support LEAs in ensuring equal accessibility and participation in computer-based assessments

IT MUST BE RECOGNIZED THAT THE MAY REVISION IS BUT THE GOVERNOR'S RECOMMENDATION FOR HOW THE STATE LEGISLATURE SHOULD ALLOCATE BUDGET DOLLARS. AFTER THE STATE BUDGET HAS BEEN ADOPTED AND SPECIFIC DOLLAR AMOUNTS ARE KNOWN, STAFF WILL PREPARE THE APPROPRIATE BUDGET REVISIONS AND PRESENT THEM TO THE BOARD OF EDUCATION.

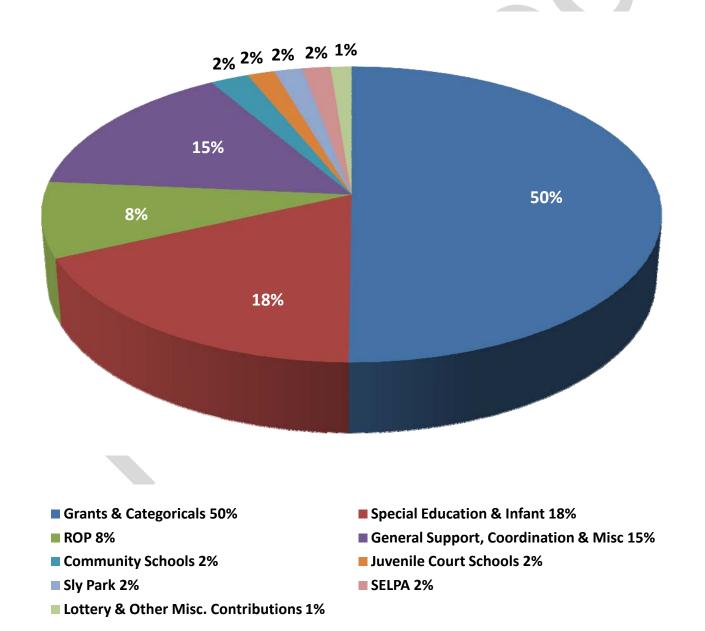

BUDGETED EXPENDITURES 2014/15

For the purpose of comparison to prior years' budgets, this chart includes budgeted expenditures from County School Service Fund (01), Special Education Pass-Through Fund (10) and Child Development Fund (12). The total budgeted expenditures have been broken down into eight categories. As shown, salaries and benefits for certificated and classified employees make up 51% of budgeted expenditures.

BUDGETED REVENUE 2014/15

For the purpose of comparison to prior years' budgets, this chart includes budgeted revenue from County School Service Fund (01), Special Education Pass-Through Fund (10) and Child Development Fund (12). The total revenues have been broken down into nine categories. As shown, half (50%) of budgeted revenue comes from grant and catergorical monies.

TITLE III TECHNICAL ASSISTANCE GRANT

SUE STICKEL, DEPUTY SUPERINTENDENT

PROGRAM DESCRIPTION:

The No Child Left Behind Act of 2001, Title III, requires LEAs to meet Annual Measurable Achievement Objectives (AMAO) targets for English learners. Pursuant to Title III, LEAs failing to achieve AMAOs for two or four consecutive years are required to modify the program for English learners through a system of intervention.

The California Department of Education (CDE) developed a comprehensive plan to provide technical assistance to LEAs that failed to meet the AMAOs. As part of this plan, CDE awarded grants to one county within each of the state's 11 service regions to provide technical assistance to the designated LEAs.

The funds from this grant award will be used to assist the LEAs in developing Title III action plans, provide technical assistance, and monitor the implementation of the plan.

CAPITAL REGION CENTER FOR TECHNICAL ASSISTANCE TO LOW-PERFORMING SCHOOLS MARK CALONICO, DIRECTOR

ACTION CIVICS INITIATIVE

MARK CALONICO, DIRECTOR

PROGRAM DESCRIPTION:

These grant funds were used for planning the development and implementation of the California Capital Region Civic Learning Intitative program for 14 schools in Sacramento County. The program provides students with the knowledge, skills, and dispositions to become informed, engaged citizens, participating in civil dialogue about current issues, and act to promote change and create new ideas in their communities.

We also identified constitutional scholars and community leaders willing to lend their support, either as coaches/mentors for schools, or as resources for contacting interested government, non-profit, or judicial groups who may want to participate in this program. These community resources will provide various project-based learning, service learning, and internship opportunities for students.

This grant ended January 31, 2014 and no new funding is anticipated.

CAPITAL REGION SYSTEM OF DISTRICT AND SCHOOL SUPPORT

MARK CALONICO, DIRECTOR

PROGRAM DESCRIPTION:

The Capital Region System of District and School Support (RSDSS) grant provides support to Title I Program Improvement schools and districts throughout the 10 counties in Region 3. The Federal No Child Left Behind (NCLB) Act requires all states to provide a statewide system of sustained support for districts and schools receiving Title I funding to increase the opportunity for all students to meet the state's academic and achievement standards.

The RSDSS mission is to build the capacity of school districts to support their low-performing schools. This mission is realized through the dissemination of information, technical assistance, and brokering of regional and statewide resources. The ultimate goal is to create a system in which districts and schools have access to effective, efficient, regional resources to support higher student achievement.
