

SEAL OF BILITERACY

for Eligible Graduating High School Seniors

2020

Recognition Program

Congratulations to Our 2020 Recipients!

Welcome

David W. Gordon
Sacramento County
Superintendent of Schools

Welcome to the eighth annual Seal of Biliteracy recognition to honor multilingual students in Sacramento County!

We would like to offer our congratulations to the high school seniors who have attained a high level of proficiency in English and another language. Each of these students has met rigorous state criteria and has demonstrated his or her linguistic abilities through examinations, grades, and coursework. By meeting these requirements, the California Department of Education awards each of these students a gold “State Seal of Biliteracy” for his or her high school diploma. In addition to English, this year’s Seal of Biliteracy recipients are proficient in 23 other languages, including American Sign Language (ASL), Arabic, Armenian, Chinese (Cantonese and Mandarin), Dari, Farsi, French, German, Hebrew, Hindi, Hmong, Japanese, Latin, Portuguese, Punjabi, Romanian, Russian, Spanish, Tagalog, Ukrainian, Urdu, and Vietnamese. Over thirty students have earned Seals in multiple languages. Sacramento County Office of Education is proud to offer language exams that support the diversity of the families and students in our schools.

We would like to thank the following Sacramento County school districts, including independent charters, for their collaboration in this year’s Seal of Biliteracy program: Center USD, Elk Grove USD, Folsom Cordova USD, Galt Joint UHSD, Natomas USD, River Delta USD, Sacramento City USD, San Juan USD, and Twin Rivers USD. Through their combined efforts, more than 1,800 students qualified for the State Seal of Biliteracy in 2020.

A handwritten signature in black ink that reads "David W. Gordon". The signature is fluid and cursive, with a large initial 'D'.

About the State Seal of Biliteracy

The State Seal of Biliteracy is an award given to graduating high school students who have studied and attained proficiency in English and one or more languages.

The Sacramento County Office of Education collaborated with participating local districts to identify candidates for this award; verify their language skills in reading, writing, listening, and speaking; and to publicly recognize students for their exemplary achievement.

Students receiving the State Seal of Biliteracy met the following criteria:

- 1) Completed all English-language arts requirements for graduation with an overall grade point average of 2.0 or above in those classes.
AND
- 2) Passed the California standards assessment at the “standards met” or above in English language arts set for native English speakers at the 11th grade.
AND
- 3) Demonstrated proficiency in one or more languages in addition to English.

To meet this requirement, some students passed the Advanced Placement Exam, the Scholastic Assessment Test II, or a locally administered language exam.

Others successfully completed a four-year high school course of study in another language, including oral proficiency.
