

CALIFORNIA SCHOOL  
LEADERSHIP ACADEMY

## STRENGTHENING CAPACITY TO LEAD AS A LEADER OF COLOR

**Description:** Led by **Dr. Steve Winlock** and **Dr. Don Vu** of the Sacramento County Office

of Education's (SCOE) School of Education, this community of practice will explore the

recent social movements that have moved many of us in education to deepen our work toward racial justice. It has become clear that the needs of leaders of color, a tremendously under-represented group of leaders in California's public schools, should be supported. In this Community of Practice, leaders will come together to investigate leading for equity as a leader of color. Through session activities, reading and discussions, and action-based inquiry, leaders will explore their own leadership from their unique perspective and develop action plans for building their leadership capacity to lead for equity and improved outcomes for all students.
