2025

Recognition Ceremony

Cordova High Performing Arts Center

Welcome

David W. Gordon
Sacramento County
Superintendent of Schools

Welcome to the 13th annual State Seal of Biliteracy ceremony to honor multilingual students in Sacramento County!

Congratulations to our high school seniors who have attained a high level of proficiency in being bilingual and in multilingualism. These students have met rigorous state criteria and have demonstrated their linguistic abilities in English and another language through examinations, grades, and coursework. By meeting these requirements, the California Department of Education awards these students a gold “State Seal of Biliteracy” for their diplomas.

In addition to English, this year’s State Seal of Biliteracy recipients are proficient in 29 other languages, including American Sign Language, Arabic, Armenian, Bosnian, Cantonese, Dari, Farsi, French, German, Greek, Hindi, Hmong, Italian, Japanese, Korean, Mandarin, Pashto, Punjabi, Romanian, Russian, Spanish, Swahili, Tagalog, Tamil, Telugu, Turkish, Ukrainian, Urdu, and Vietnamese. One hundred of these impressive students have earned Seals in multiple languages. The Sacramento County Office of Education is proud to offer language exams that support the diversity of the families and students in our schools.

We would like to thank the following Sacramento County school districts and charters for their collaboration in this year’s State Seal of Biliteracy program: Center Joint USD, Elk Grove USD, Folsom Cordova USD, Galt Joint Union HSD, Gateway Community Charters, Natomas USD, Natomas Charter School, Natomas Pacific Pathways Prep Charter, River Delta USD, Sacramento City USD, Sacramento County Office of Education, San Juan USD, Twin Rivers USD, and Visions in Education. Through their combined efforts, nearly 2,400 students qualified for the State Seal of Biliteracy in 2025.

A handwritten signature in black ink that reads "David W. Gordon".

About the State Seal of Biliteracy

The State Seal of Biliteracy is an award given to graduating high school students who have studied and attained proficiency in English and one or more languages. The Sacramento County Office of Education collaborated with participating local districts and charters to identify candidates for this award; verify their language skills in reading, writing, listening, and speaking; and to publicly recognize students for their exemplary achievement. Students receiving the State Seal of Biliteracy met the criteria of one of the options in numbers 1 and 2 below:

- 1) Demonstrated proficiency in English using one of these options:
 - Completed all English-language arts requirements for graduation with an overall grade point average of 3.0 or above in those classes; OR
 - Pass the California standards assessment at the “standards met” or above in English language arts (ELA) at the 11th grade or a local assessment; OR
 - Pass the Advanced Placement (AP) exam with a three or above, OR the International Baccalaureate (IB) exam with a four or above, or the Evidence-Based Reading and Writing section of the SAT with a 480 or above.
- 2) Demonstrated proficiency in one or more languages in addition to English. To meet this requirement, some students passed the Advanced Placement Exam, the Scholastic Assessment Test II, or an ACTFL Writing Proficiency Test (WPT) and Oral Proficiency Interview (OPI) with minimum scores of intermediate-mid, or a locally administered

language exam. Others successfully completed a four-year high school course of study in another language, including oral proficiency.

If the student is currently designated as an English learner, the student has also demonstrated oral English proficiency in English by obtaining an oral language composite score of level four on the English Language Proficiency Assessments for California (ELPAC).

Voices from the Class of 2025

We are proud of all the recipients! To capture the student voice, we asked an optional question: *What does receiving the State Seal of Biliteracy mean to you?* Here are some of the responses.

"The first language I spoke was Tamil. When I moved to the US my parents thought I would lose that aspect of myself, but after 18 years, getting this seal means to me that I didn't lose this aspect of my identity, and have learned to embrace it."

"For me, receiving the State Seal of Biliteracy is more than just an award. ... It is a reminder of the journey I have been through. I moved to a new country, not knowing the language, and I was scared, difficult, lonely. But I did not give up. I studied, I tried, I believed in myself. ... This is my pride, my story, and my way of telling the world: I am here, I am strong, and I have not lost myself, but have become even more myself."

"Receiving the state Seal of Biliteracy feels like an incredible achievement! Completing these courses did not come easy, and I feel honored to be recognized for the accomplishment! I can't wait to have the opportunity to use both languages in my future endeavors."

"To me this seal means a lot. It shows how I passed my exam, and it shows my hard work and dedication I put into receiving this seal. It'll make both me and my family proud of my accomplishments. It'll also mean a lot because even though my native language is Spanish, I still struggled with speaking it. Receiving a recognition like this is something I will forever be proud of because it shows how I never gave up."

"Receiving the State Seal of Biliteracy is a significant milestone for me. It represents the culmination of my hard work and dedication to mastering the French language. This achievement is not just a testament to my linguistic skills, but also a reflection of my deep love and appreciation for the French language and culture."

"Getting the Seal of Biliteracy means more than words could describe to me as it's a recognition of my identity, my journey, and the connections I've made between different cultures just by being able to speak more than one language. It shows the time, effort, and heart I've put into learning and using both languages, and how it's helped me talk to, relate to, and really understand people I might not have been able to otherwise."

"When I was an incoming freshman I never imagined I would dedicate the rest of my high school experience learning French. ... I gained fond memories and made good friends because of French classes. ... My French teacher, Mrs. Opreescu, made learning a new language so fun, memorable, and addicting. ... When I found out that I would be getting the Seal of Biliteracy, I wanted to yell that to the whole world. ... To me this Seal doesn't just mean that I did well on the exam, but all the beautiful experiences I've had to achieve it."
