

SEAL OF BILITERACY

for Eligible Graduating High School Seniors

2022

Recognition Program

Congratulations to Our 2022 Scholars!

Honoring Seal of Biliteracy Recipients for 10 Years!

Welcome

David W. Gordon
Sacramento County
Superintendent of Schools

Welcome to the tenth annual Seal of Biliteracy recognition to honor multilingual students in Sacramento County!

We would like to offer our congratulations to the high school seniors who have attained a high level of proficiency in English and another language. Each of these students has met rigorous state criteria and has demonstrated his or her linguistic abilities through examinations, grades, and coursework. By meeting these requirements, the California Department of Education awards each of these students a gold “State Seal of Biliteracy” for his or her high school diploma.

In addition to English, this year’s Seal of Biliteracy recipients are proficient in 24 other languages, including American Sign Language, Arabic, Armenian, Cantonese, Dari, Farsi, French, German, Hindi, Hmong, Japanese, Korean, Latin, Mandarin, Pashto, Punjabi, Romanian, Russian, Spanish, Tagalog, Tamil, Ukrainian, Urdu, and Vietnamese. More than 70 students have earned Seals in multiple languages. Sacramento County Office of Education is proud to offer language exams that support the diversity of the families and students in our schools.

We would like to thank the following Sacramento County school districts, including independent charters, for their collaboration in this year’s Seal of Biliteracy program: Center Joint USD, Elk Grove USD, Folsom Cordova USD, Futures High School Charter, Galt Joint Union HSD, Natomas USD, Natomas Charter School, Natomas Pacific Pathways Prep Charter, River Delta USD, Sacramento City USD, San Juan USD, Twin Rivers USD, and Visions in Education Charter. Through their combined efforts, more than 1,600 students qualified for the State Seal of Biliteracy in 2022.

A handwritten signature in black ink that reads "David W. Gordon".

Keynote Speaker

Martha Hernandez, Keynote Speaker

Martha Hernandez, the oldest of nine children, is a first-generation college graduate and a role model for her siblings who also earned university degrees and are now serving as physicians, teachers, a computer programmer, an organic chemist, and a doctor of pharmacy. She attributes her family's success to her mother who was an unwavering advocate for her children with a strong belief in the power of public education.

Her lifelong support of the United Farm Workers and bilingual education has fueled her commitment to causes of equity and excellence in education especially on behalf of English learners. Her 42 years of public school experience at the classroom, school, district, and county levels—as well as her involvement in numerous state committees—will serve her well to advance the vision of Californians Together. Martha and her husband, Aurelio Jaúregui, are the former owners of Evita's Mexican Café in Ventura named after their daughter. She is especially proud of her son, Juan Carlos, who is an attorney and a computer software engineer.

“ In 2012, California became the first state in the nation to award a state Seal of Biliteracy to graduating seniors with demonstrated proficiency in two or more languages. Now in 2022, 48 states and Washington, DC have approved a statewide State Seal of Biliteracy! ”

– Martha Hernandez

Special Address

Shelly Spiegel-Coleman, *Special Address Speaker*

Since the day she became a teacher in 1970, Shelly only taught and worked in bilingual, English Learner programs. Whether she was a teacher, principal, district specialist, or county consultant, her passion has been working with and for English Learners and their families. Her life has been enriched by her experiences in different settings and communities. She grew up in a home in which social justice was valued and celebrated. As an educator, advocating for English Learners became a part of who she is. She explained that it was easy to retire from the Los Angeles County Office of Education to come work for Californians Together, and leading the organization was her perfect job. Shelly elaborated, "We have struggled, shed tears, and rejoiced in our growing ability to influence and create new policies to build multilingual programs and honor the talents and gifts of our students and their families." By working in this movement, her lifelong colleagues and friends have become her extended family.

“ *The Seal of Biliteracy recognizes the language talents and gifts our students have to share with their families, communities, our state, and the nation.* ”

– Shelly Spiegel-Coleman

About the State Seal of Biliteracy

The State Seal of Biliteracy is an award given to graduating high school students who have studied and attained proficiency in English and one or more languages.

The Sacramento County Office of Education collaborated with participating local districts and charters to identify candidates for this award; verify their language skills in reading, writing, listening, and speaking; and to publicly recognize students for their exemplary achievement.

Students receiving the State Seal of Biliteracy met the criteria below. Requirements apply only to 2022 graduates during the 2020–2021 school year:

- 1) Completed all English-language arts requirements for graduation with an overall grade point average of 2.0 or above in those classes.

AND

- 2) Passed the California standards assessment at the “standards met” or above in English language arts (ELA) set for native English speakers at the 11th grade OR a local assessment.

AND

- 3) Demonstrated proficiency in one or more languages in addition to English.

To meet this requirement, some students passed the Advanced Placement Exam, the Scholastic Assessment Test II, or a locally administered language exam.

Others successfully completed a four-year high school course of study in another language, including oral proficiency.

Alphabetization in the Spanish Language

Which last name goes first in Spanish? Traditionally, a person's first surname is the father's first surname (apellido paterno), while their second surname is the mother's first surname (apellido materno). Following tradition, names in this list are alphabetized by first surname.
