ARTICLE I AGREEMENT

1.01 Agreement

The Articles and provisions contained herein constitute a bilateral and binding agreement ("Agreement") by and between the Superintendent of the Office of the County Superintendent of Schools of Sacramento County ("Superintendent"), and the Sacramento County Office of Education Teachers Association/CTA/NEA ("SCOETA"), an employee organization. This Agreement is entered into pursuant to Chapter 10.7, §§ 3540 through 3549 of the Government Code ("Act").

The terms and conditions set forth in this Agreement represent the full and complete understanding between the parties. No further negotiations shall take place on any item with any other individual or agency within or without the SCOETA bargaining unit. SCOETA and SCOE shall observe the right to consult on items not included in this Agreement or if State Legislation change any part of the Agreement.

ARTICLE II RECOGNITION

2.01 Recognition

- A. Pursuant to Chapter 10.7 (commencing with § 3540) of the Government Code, SCOE recognizes SCOETA, as identified in Article I, as the exclusive representative of the certificated employees' unit.
- B. It is the intent of the parties that representation of certificated personnel employed by SCOE shall rest with SCOETA.

- B. Except as provided in D or E below, probationary certificated employee is defined as one who has been employed by SCOE for less than two (2) years.
- C. Classification status is determined by California Education Code (EC) Sections (§§) 44915-44920, 44910, 44911, and 44929.21. Generally, a probationary certificated employee is required to complete two (2) years of eligible service and return for the third year before becoming permanent.
- D. As set out in Article 2.02.C, ROP teachers' classification rights are controlled by EC §44910 which disallows the achievement of seniority for the purposes of establishing permanent status. However, for the purposes of internal rights to transfer and displacement, Article XXV of this contract is intended to allow for seniority-based displacement among ROP teachers, provided that SCOE determines, based upon experience and credentialing, that the ROP teacher is qualified for the position. To the degree that Article XXV contradicts or appears to contradict the classification status set out above, it shall be construed in light of Articles 2.02.C and 2.02.D of this agreement.

ARTICLE III ORGANIZATIONAL SECURITY / DUES DEDUCTION

3.01 Agency Shop

Any unit member who is a member of the SCOETA, or who has applied for membership, may sign and deliver to SCOE an assignment authorizing deduction of unified membership dues, initiation fees and general assessments in SCOETA. Pursuant to such authorization, SCOE shall deduct one-tenth (1/10) of such dues from the regular salary check of the unit member each month for ten (10) months. Deductions for unit members who sign such authorization after the commencement of the school year shall be appropriately prorated to complete payments by the end of the school year.

3.02 Dues

Any unit member who is not a member of the SCOETA, or who does not make application for membership prior to September 1, 1993, or within thirty (30) days from the date of commencement of assigned duties within the bargaining unit, shall become a member of SCOETA or pay to SCOETA a fee in an amount equal to unified membership to SCOETA in one lump sum cash payment in the same manner as required for the payment of membership dues, provided, however, that the unit member may authorize payroll deduction for such fee in the same manner as provided in Article 3.01. In the

event that a unit member shall not pay such fee directly to SCOETA, or authorize payment through payroll deduction as provided in Article 3.01, SCOETA shall so inform SCOE, and SCOE shall immediately begin automatic payroll deduction as provided in EC § 45061 and in the same manner as set forth in Article 3.01. There shall be no charge to SCOETA for such mandatory agency fee deductions.

3.03 Exemption

Any unit member who is a member of a religious body whose traditional tenets or teachings include objections to joining or financially supporting employee organizations shall not be required to join or financially support the SCOETA as a condition of employment; except that such unit member shall pay, in lieu of service fee, sums equal to such service fee to a non-religious, non-labor organization or charitable fund exempt from taxation under § 501(c)(3) of Title 26 of the Internal Revenue Code, for example:

- Foundation to Assist California Teachers
- Mustard Seed
- WEAVE

Such payment shall be made on or before the (same date as cash dues/fees) of each school year.

3.04 Proof of Payment for Exemption

Proof of payment and a written statement of objection along with verifiable evidence of membership in a religious body whose traditional tenets or teachings object to joining or financially supporting employee organizations, pursuant to Article 3.03, shall be made on an annual basis to SCOETA and SCOE as a condition of continued exemption from the provisions of Articles 3.01 and 3.02. Proof of payment shall be in the form of receipts and/or canceled checks indicating the amount paid, date of payment, and to whom payment in lieu of the service fee has been made. Such proof shall be presented on or before (same date as cash dues/fees) of each school year.

3.05 Non-Fee-Paying Member Cost of Services

Any unit member making payments as set forth in Articles 3.03 and 3.04, and who requests that the grievance or arbitration provisions of this Agreement be used in his or her behalf, shall be responsible for paying the reasonable cost of using said grievance or arbitration procedures.

3.06 Remission of Fees

With respect to all sums deducted by SCOE pursuant to Articles 3.01 and 3.02, whether for membership dues or agency fee, SCOE agrees promptly to remit such monies to SCOETA accompanied by an alphabetical list of unit members for whom such deductions have been made, categorizing them as to membership or non-membership in SCOETA, and indicating any changes in personnel from the list previously furnished.

3.07 Agreement to Furnish Information

The Association agrees to furnish any information needed by SCOE to fulfill the provisions of Article 3.03.

ARTICLE IV RIGHT TO REPRESENTATION

4.01 Right to Representation

When a potential grievance and/or other employee concerns are being addressed, prior to any formalized process, certificated employees shall be advised by their immediate supervisor of their right to representation by SCOETA or another person of their choice.

ARTICLE V GRIEVANCE PROCEDURE

5.01 Purpose

The purpose of this procedure is to secure, at the lowest possible administrative level, equitable solutions to the problems which may from time to time arise affecting the welfare or working conditions of teachers. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

5.02 Grievance Definitions

The following definitions control the meaning of the terms as used in this procedure:

- A. "**Grievance**" means a claim by one or more unit members that there has been a violation, misinterpretation or misapplication of a provision of this agreement.
- B. "**Grievant**" means the person or persons making the claim, including SCOETA.
- C. "**Party in interest**" means any person who might be required to take action or against whom action might be taken in order to resolve the claim.
- D. "**Day**" means any day in which a unit member is required to render service to SCOE.

- E. "**Immediate supervisor**" means the person at the lowest administrative level who has been designated management or supervisory and who assigns, reviews or directs the work of the employee.
- F. "**Director**" means the person who, under general direction, administers the operations of a department, provides leadership and coordinates services.
- G. "**Party**" means the grievant(s) and SCOE.

5.03 Time Limits

Each party involved in a grievance shall act so that the grievance may be resolved promptly and at the lowest possible level. Every effort should be made to complete action within the time limits contained in the grievance procedure, but with the written consent of all parties the time limitation for any step may be extended. Failure at any step of this procedure to communicate the decision on a grievance within the specified limits shall permit lodging an appeal at the next step of the procedure within the time allotted had the decision been given. Failure to appeal a decision within the specified time limits shall be deemed an acceptance of the decision.

Should a grievance be in process, and cannot be concluded because of the unavoidable absence of the grievant(s) or the appropriate management representative, then the time limits set forth in this article shall be suspended until such absence is concluded or until an appropriate representative is appointed to allow the grievance to continue.

5.04 Presentation

A certificated employee or his/her representative, or both, may present a grievance while on duty. On all grievances no more than three (3) may participate while on duty, whether grievants, representatives, or witnesses, unless otherwise approved by SCOE. Such approval shall not be unreasonably withheld.

5.05 Representation

The grievant may be represented by SCOETA or any eligible representative of his/her own choosing, other than another employee organization, whether or not that representative is a certificated employee, at any formal and informal step of this procedure.

When a potential grievance is being addressed, prior to the formal process, certificated employees shall be advised of their right to representation.

5.06 Informal Discussion

The alleged violation shall be discussed informally with the immediate supervisor. During this informal discussion, the grievant shall have the right to have a representative of SCOETA present.

5.07 Formal Grievance—Step I (Immediate Supervisor)

- A. If an alleged violation is not resolved in informal discussion to the satisfaction of the grievant, a formal grievance may be initiated. A formal grievance may be initiated no later than thirty (30) work days from the time the certificated employee might reasonably have been expected to know of the act or stated condition which is the basis of the certificated employee's complaint.
- B. A formal grievance shall be initiated in writing on a form prescribed by SCOE and approved by SCOETA and shall be filed with the immediate supervisor. A copy of the form shall be sent to SCOETA. That form shall be completed to show the following:
 - 1. Grievant's name and work location
 - 2. Grievant's work function
 - 3. Date the grievance is delivered to the immediate supervisor
 - 4. Provision(s) of the agreement alleged to have been violated, misapplied or misinterpreted
 - 5. Circumstances of the grievance (a concise statement of the facts constituting the alleged violation with dates, names and places as appropriate)
 - 6. Remedy sought by the grievant
 - 7. Name of the representative, if any, chosen by the grievant
 - 8. Signature(s) of the grievant(s)
- C. Within ten (10) work days after the initiation of the formal grievance, the immediate supervisor shall investigate the grievance and give his/her decision in writing to the grievant and his/her representative. If the grievant is not represented by SCOETA, a copy shall be sent to SCOETA.

5.08 Formal Grievance—Step 2 (Director)

- A. If the grievant is not satisfied with the decision rendered in Step 1, he/she may appeal the decision in writing within ten (10) work days to the appropriate Director. The grievant shall identify each aspect of the immediate supervisor's decision with which the grievant disagrees.

If the grievant reports directly to the Director, the initial grievance shall be filed at this step in the manner stated for filing a grievance at Step 1.

- B. The Director shall investigate the grievance as fully as he/she deems necessary, and shall provide for a conference with the grievant, who shall continue to have his/her

right to representation. The Director shall respond within ten (10) work days of the appeal to the grievant. The response shall state the Director's decision and his/her view of the facts and his/her conclusions respecting the intentions of the grievant on appeal. If the grievant is not represented by SCOETA, a copy shall be sent to SCOETA.

5.09 Formal Grievance—Step 3 (Superintendent)

- A. If the grievant is not satisfied with the decision rendered at Step 2, he/she may appeal the decision in writing within ten (10) work days to the Superintendent. The grievant shall identify each aspect of the Director's decision with which the grievant disagrees.
- B. The Superintendent or his/her designee shall investigate the grievance and shall hold a conference with the grievant, who shall continue to have his/her right of representation. The Superintendent or his/her designee shall respond in writing within ten (10) work days of the appeal, to the grievant. That response shall state the Superintendent's decision and his/her view of the facts and his/her conclusions respecting the contention of the grievant on appeal. If the grievant is not represented by SCOETA, a copy shall be sent to SCOETA.

5.10 Formal Grievance—Step 4 (Binding Arbitration)

- A. If the grievant is not satisfied with the decision at Step 3, grievant may request that SCOETA appeal the decision to binding arbitration within five (5) working days of the receipt of the Step 3 decision. Such requests by SCOETA's president, or official designee, will be in writing and shall be filed with the Superintendent's designee for employee relations within ten (10) working days of the grievant's request. If such request is not filed within the time limitations prescribed above, the grievant will be deemed to have waived the right to a Step 4 hearing.
- B. A certified court reporter shall be employed to record verbatim the entire arbitration hearing if requested by either the grievant or SCOE. In any case in which a court reporter is involved, the parties shall share equally the cost of such reporter, including per diem, mileage, and other out-of-pocket expenses. If the arbitrator requests a court reporter, the parties shall likewise share equally the cost of such reporter. The cost of transcripts shall be borne by the party ordering such transcripts.
- C. When arbitration has been requested, the parties may mutually agree on an arbitrator or shall contact the American Arbitration Association for a list of arbitrators in accordance with American Arbitration Association procedures. SCOETA and SCOE representatives shall follow the American Arbitration Association procedures for choosing an arbitrator. The arbitrator shall utilize the voluntary rules of the American Arbitration Association insofar as said rules do not conflict with the grievance procedure in this agreement.
- D. All costs for the services of the arbitrator, including, but not limited to, per diem expenses, his/her travel and subsistence expenses and the cost of any hearing room

will be borne equally by SCOE and SCOETA. All other costs will be borne by the party incurring them.

- E. Each party shall bear the full costs for its representation in the arbitration. The administrative costs of the American Arbitration Association and the arbitrator's fees and charges shall be divided equally between the grievant and SCOE.

5.11 Attendance at Hearing

SCOE agrees that certificated employees shall not suffer loss of compensation for time spent as a grievant, representative, or witness at a hearing held pursuant to this procedure, subject to the provisions under Article 5.04, nor shall SCOETA be charged.

5.12 Notice to Association

A unit member may at any time present grievances to the employer, and have such grievances resolved, without the intervention of SCOETA, as long as the resolution is reached prior to arbitration and such resolution is not inconsistent with terms of the written agreement. If an employee presents a grievance on his/her own behalf, SCOETA shall have the right to be present and state its views at all grievance meetings. SCOE shall not agree to a resolution of the grievance until SCOETA has received a copy of the grievance and the proposed resolution and has been given the opportunity to file a response.

5.13 No Reprisals

No reprisals of any kind will be taken by the Superintendent or by any member or representative of the administration against any grievant, member of SCOETA or any other participant in the grievance procedure by reason of such participation.

5.14 Separate File

Grievance documents shall not be kept in the employee's personnel file.

5.15 Omitting Steps

By mutual agreement of the parties, any step of the grievance procedure may be omitted.

5.16 Release Time

- A. The President and up to two (2) members designated by SCOETA shall be entitled upon request to a maximum of six (6) hours, travel time inclusive, per month. This time is exclusively for the purpose of grievance processing. Time spent at a hearing or conference with management personnel shall not be charged against this maximum.
- B. Each of the persons identified in (A) above shall notify, in writing, his/her immediate supervisor and shall report in upon return to duty.

- C. Upon entering another work location, the persons identified in (A) above shall identify him/herself to the office.

ARTICLE VI EVALUATION PROCEDURES

6.01 Frequency

- A. In accordance with EC § 44664 (a), probationary certificated employees (first and second years of service with SCOE) shall be given one evaluation each school year.
- B. Permanent certificated employees shall be evaluated every other school year.
- C. Unit members with permanent status who have been employed at least ten (10) years with SCOE, are highly qualified, as defined in 20 U.C.S. Sec. 7801 (ESEA), and whose previous evaluation rated the employee as meeting or exceeding standards, shall be evaluated every five years if the unit member and evaluator consent to this schedule. Either party may withdraw consent. The agreement shall be in writing and maintained in the personnel file.

6.02 Evaluation Standards

The California Commission on Teacher Credentialing (CCTC) has adopted professional standards that will guide teacher preparation programs and new teacher assignments. These standards are organized around six (6) interrelated categories of teaching practice, with several supporting elements under each Standard. The California Standards for the Teaching Profession (CSTP) are incorporated into the evaluation process of all certificated employees:

1. Engaging and Supporting All Students in Learning
2. Creating and Maintaining Effective Environments for Student Learning
3. Understanding and Organizing Subject Matter for Student Learning
4. Planning Instruction and Designing Learning Experiences for All Students
5. Assessing Student for Learning
6. Developing as a Professional Educator

A leave of any extended nature, such as for health or maternity, will be considered a break in the continuity of service. Involuntary military service shall not constitute a break in the continuity of service. Absence of not more than one (1) year granted by the Superintendent for service under a nationally recognized fellowship or foundation, approved by the State Board of Education, shall not be deemed a break in the continuity of service.

- A. A registered physician shall have certified that he/she has examined the certificated employee within thirty (30) days of the start of sabbatical leave and advise said certificated employee to be in sound health.

Sabbatical leaves may be granted for study and travel that will benefit the schools and pupils of the districts in Sacramento County.

Travel must be outside California and must constitute sixty percent (60%) of the period of leave. Changes in travel plans must be filed in writing and approved by the County Superintendent.

- C. If a program of study or travel is interrupted because of serious accident or illness during sabbatical leave and the accident or illness is properly vouched for by a qualified physician, such interruption shall not constitute a violation of the contract or prejudice the staff member against receiving the rights or benefits provided for under the terms of the sabbatical leave. However, this provision is based on the fact that such interruption does not extend over a period of time that would cause the purposes of the sabbatical leave to be abandoned. In such latter case, the sabbatical leave shall be terminated and either a second leave or a leave for absence due to illness or injury may be substituted by mutual agreement. In all cases of serious accident or illness of a certificated employee on sabbatical leave, the Superintendent shall be promptly notified by registered letter within ten (10) days after occurrence or medical diagnosis.

Payment shall be made on a monthly basis unless request is made and approved by the Superintendent for semiannual or annual payments while such leave is in effect. For purposes of this section, a “day” shall be a day that the employee is expected to be on duty as determined by his or her contract with SCOE. Days shall be contributed without regard to the daily rate of the employee participant.

The bank will be administered by a committee comprised of two members appointed by SCOETA, two members appointed by CSEA and two members appointed by management.

If either or both participants are dissatisfied with the reasons they may file a grievance at Step 2, within ten (10) work days of receipt of the statement of reasons. ARTICLE XXI SHARED DECISION MAKING

21.01 Statement of Intent

The parties agree that it is in the best interest of SCOE and its constituencies to inclusively and cooperatively engage in decision making activities with the goal of promoting continuous improvement in the quality of organizational support services, student learning experiences and teaching outcomes. We believe this can best be accomplished through program decision-making practices that constructively involve relevant stakeholders likely to be affected by the implementation of resulting decisions. These stakeholders shall be certificated, administrative and classified staff. Sites may also include related agencies or business partners.

21.02 Scope of Authority of Decision-Making Teams

The primary intent of this article is to allow flexibility in the development of decision-making teams, while ensuring that directly affected programs consisting of educational staff and students are provided an effective vehicle for communicating concerns and developing recommendations. It is agreed that shared decision-making teams will be responsible at a minimum, for participation in development of the following:

A. Gathering and disseminating information and facilitating communication among staff.

- B. Providing annual input for ongoing staff development activities, which address both site based and organizational needs and goals.
- C. Making decisions such as use of program discretionary budget, determination and implementation of Board adopted curriculum, and development of school safety procedures.
- D. Establishing site/program based meeting schedules for the purposes of implementation of this article.

21.03 Review and Alignment of Article XXI

This article shall be reviewed as necessary to ensure that the intent, as stated herein, is adhered to by parties involved.

ARTICLE XXII BENEFITS

22.01 Entitlement to Payment of Premiums

SCOE shall provide for the payment of such insurance premiums and other benefits for employees and their dependents, and retired persons as stated herein. Premium payments shall be paid for employees working less than six (6) hours on the same ratio as their employment bears to eight (8) hours.

22.02 Plans Available

Employees may select from those medical, dental, vision and insurance plans offered by SCOE. Additionally, there are other tax-exempt benefits that are available under the provisions of the IRC 125 plans. SCOE offers a Cafeteria Plan for its employees who meet the plan's eligibility requirements. The IRC 125 plan allows an employee to shelter certain benefits provided under the plan on a pre-tax basis.

All eligible employees will have SCOE contribute a monthly health benefit allocation twelfthly of \$588.45 for health benefits as set out in 22.04 below. That health benefit allowance will equal seven-thousand sixty-one dollars and forty cents (\$7061.40) annually. Employees hired before January 1, 2014 who provide proof of other coverage in alternative medical benefits and who waive taking any medical plan, will receive a cash-in-lieu allocation of three hundred dollars monthly or three thousand six hundred (\$3600.00) annually. Those hired after that date who provide proof and opt out of medical benefits will receive one hundred dollars (\$100) monthly or \$1200 annually.

Contingent upon agreements with the other unit and management, effective January 1, 2015, SCOE agrees to increase the monthly allocation for two party and family by three hundred and fifteen dollars (\$315).

Employees who opt out of the medical benefit plan will be permanently excluded from post-retirement medical benefits.

The Benefit Expansion Fund will be examined annually in negotiations and recommendations will be made to the Superintendent.

22.03 Enrollment

Employees must enroll within thirty (30) days after date of eligibility.

22.04 Entitlement to Plans

The benefits offered by SCOE include a medical policy, a dental policy, and a vision policy. The current selection of benefits is provided by the California Public Employee Retirement System (CalPERS). SCOE will provide a \$40,000 term life insurance policy for full time employees. The monthly dollar amount contributed for health benefits shall be the same for 2006-07 as in 2005-06. SCOE's responsibility for 2007-08 unless modified by agreement with SCOETA will be the dollar amounts paid in 2006-07.

Persons determined to be domestic partners under the guidelines of the State of California shall be eligible to participate in any insurance plan that is appropriate.

22.05 Health Insurance upon Retirement

SCOE shall provide payment of health insurance coverage for all eligible retired employees only upon entering CalSTRS following the completion of the necessary years of service.

The parties agree to recommend to the Superintendent that a portion of lottery monies should be designated for the Retirees Benefit Fund.

All those who retire from SCOE pursuant to the requirements of the California Public Employee Retirement System [as long as SCOE is a participant in the California Public Employee Retirement System (CalPERS) Health Benefit Program] and who satisfy the requirements of fifteen years with SCOE as set out in the Vesting Resolution for unit members of the exclusive representative SCOETA will be entitled to the minimum contribution required by Government Code section 22892 (b) (1). SCOE and SCOETA acknowledge that participation in the CalPERS Health Benefit Program requires compliance with CalPERS rules for right of survivorship.

22.06 Medicare

Current retirees will be provided the least expensive medical insurance for single employees. Current retired employees or future retired employees may elect from the negotiated palette of medical health benefits but are required to pay the difference monthly should the plan selected cost more than the least expensive medical insurance for single employees. An eligible retiree must apply for all available Medicare benefits if those benefits would lower SCOE's future cost for health benefits. SCOE's responsibility

would then be the lower of the cost of the Medicare supplement or the least expensive regular medical insurance for single employees.

22.07 Supplemental Retiree Health Program

Over and above the minimum required contribution for retirees, there will be a supplemental retiree health program not subject to the regulation of PEMHCA. The supplemental retiree health program will be the difference between the CalPERS minimum and the cost for a single employee medical policy. The service requirement for the supplemental health benefits will be the completion of fifteen years with SCOE and meeting the requirements set forth in Article 22.02. When an employee retires under CalPERS regulations with fifteen or more years of service with SCOE, the employee will be entitled to one hundred percent (100%) of the cost of the least expensive medical coverage for a single employee.

22.08 Grandparenting Current Employees

Current employees (those hired on or before SCOE ratification) who cannot complete the newly required number of years prior to age 55 will be provided a transition exception if they meet the minimum requirements for CalSTRS retirement. Those employees will be provided the cost of the least expensive medical health benefit for single employees.

22.09 Retirement Service Credit

The requirement for years of service set out above must be CalSTRS or CalPERS credited years of service that the regular employee worked with SCOE as set out in Article 22.07. Purchased additional retirement service credit from CalSTRS or CalPERS shall not be eligible as earned service.

22.10 Survivorship

The supplemental coverage will be limited to the qualifying employee with no right of survivorship.

22.11 Prefunding Election for Supplemental Benefits Required for New Employees

New employees (those hired on or before SCOE ratification) will be provided the option of electing supplemental retiree health benefits or waiving them. These employees who meet the vesting requirements of the CalPERS Resolution for SCOETA would continue to be eligible for the CalPERS minimum contribution as required by Government Code sections 22892 (b) (1) and 22895 regardless of their willingness to participate in the supplemental retiree health benefit program (provided, of course, and conditioned upon SCOE remaining with CalPERS for healthcare). For those employees electing to participate in supplemental retiree health benefits, SCOE shall deduct two percent (2%) of the first \$35,000 dollars of gross salary for the required fifteen year qualification period as set out above. SCOE shall contribute an amount equal to the deduction to the California Employers' Retiree Benefit Trust Fund, a Cal CalPERS program for prefunding retiree health benefits (CalPERS Trust).

22.12 New Employee Entitlement to Funds

If an employee leaves SCOE for any reason prior to qualifying for Supplemental Retiree Health Benefits, SCOE shall reimburse an amount equal to the participating employee's deducted contribution from a segregated special reserve. Upon the employee's written request, SCOE shall return the funds within twenty (20) days of the request.

22.13 Unfunded Actuarial Accrued Liability for Current Employees and Retirees

SCOE shall make annual contributions to the PERS Trust in accordance with this agreement and the participation agreements with CalPERS.

- A. The parties intend that the SCOE's contribution invested in the PERS Trust be funded on an actuarially sound basis. Therefore, for a period of time not to exceed thirty (30) years from the inception of our agreement to deposit funds in the PERS trust October 25, 2007, the SCOE shall make contributions to the PERS Trust in an amount to be determined by SCOE in consultation with SCOETA.
- B. The (2015-16) actuarial study determined that the benefit plan's unfunded liability has increased by an amount determined to be approximately \$9,300,000. Therefore, SCOE has determined to make a contribution of \$11,550,000 to mitigate the impact of that increase and reduce our annual required contribution. In consideration of that contribution, SCOETA agrees that SCOE may increase or reduce future annual contributions for a period of three fiscal years (2017-2020).
- C. If PERS limits or precludes SCOE's participation eligibility or it is determined that continued participation is no longer desirable, the fund held in the SCOE's PERS Trust shall be transferred to a qualified joint trust in compliance with PERS Regulations. SCOE and SCOETA shall open negotiations to implement this provision, including but not limited to the allocation of funds among the units, and provisions of a mutually acceptable Declaration and Agreement of Trust and such other matters as the parties deem necessary.

22.14 Transfer of Funds

Additionally, upon the formation of an operational Trust, SCOE will transfer the funds as set out above in the Retiree Trust Addendum for SCOETA.

22.15 Sick Leave Incentive Pay

Any certificated employee not using his/her leave for sixty (60) consecutive work days (excluding holidays and non-contract days) shall be entitled to an incentive increase of three and 75/100 dollars (\$3.75) per day for each day worked during the sixty (60) day period. This incentive pertains to the base program year.

In addition, vocational education teachers (ROP) shall receive one (1) unit of credit for each forty-five (45) hours worked in industry in a position directly related to the teacher's vocational education instructional area. College units, CEUs and any work units from industry for vocational education teachers will be pertinent to the employee's position and not be a repetition of previously acquired credits, units or work experience. CEUs shall be acceptable for advancement on the salary schedule as necessary to maintain professional standing as long as it is related to core curriculum. Prior written consent must be obtained from the Assistant Superintendent.

1. For vocational education teachers, credit will be given toward advancement to another column on the salary schedule for successful completion of schools which do not offer college credit, whether or not attendance at such courses is compensated. The following conditions apply to such credit:
2. The schools must:
 - a. have a formal curriculum;
 - b. have a curriculum which is closely related to the field of instruction of the teacher seeking credit;
 - c. offer group instruction.
3. Credit shall be given based on the following criteria:
 - a. the number of hours spent in training;
 - b. the type of training, i.e., whether classroom instruction, practical application, the variety of subjects offered, whether study outside the classroom is required, etc.;
4. The appropriate department director shall determine in advance of attendance whether the particular school meets the requirements specified by this term and what credit shall be given for successful completion.
 - a. If the teacher seeking approval is not satisfied by the decision of the department director an appeal may be taken to a committee consisting of a person designated by the director of the department concerned and a teacher (other than the applicant) designated by SCOETA. The *Verification of Course/Work Experience Relevancy and Non-Duplication* form, signed by the employee and supervisor, must accompany all requests for unit credit before column advancement is granted. All credits and units submitted by October 1 shall be applied to current fiscal year. College credits earned in the course of SCOE training can be used for advancement on the salary schedule, whether taken during work hours or the employee's own time.
